**Attention UPCOMING Juniors and Seniors**

At the end of each school year, we have the privilege of having Jerry Yandel from Truett McConnell University come to talk to our upcoming juniors and seniors about the Move On When Ready Program (formerly ACCEL). MOWR is an opportunity for students who qualify to participate in dual enrollment through Truett McConnell and earn college credit for some of their courses. This year, Mr. Yandel will be here on Monday, May 15, at 3:00. Parents are encouraged to attend. If you are unable to attend, your student will be coming home with all of the information and enrollment papers that day. There is no extra cost for the MOWR program; however, the courses are college level, so they do require a student's strong commitment. After you receive the information, if you still have any questions, please feel free to call me.

Thank you,  
Mrs. Shamblin
