

LIMESTONE BRANCH DISTILLERY HIRING 4 DISTILLER OPERATORS

Duties:

- Run the day-to-day production. Keep the production schedule on line with the orders and distribution schedules.
- Maintain all equipment owned and/ or operated by the company.
- Clean and rinse equipment used for the production of spirits.
- Assist in all aspects of production, including milling grain, mashing, fermenting, and distilling spirits, as well as bottling, labeling and packaging spirits.
- Conduct lab analysis; cataloging of samples; track compliance data for all distilled spirits produced on site.
- Filling, weighing, gauging and placement of barrels, as well as labeling barrelheads with serial numbers and other identifying information.
- Order supplies, material, and equipment relevant to operations of production and within budget.
- Take, record, monitor and control all inventory per TTB laws and regulations
- Applicants will be assigned to a 12 hour shift; 7am–7:30pm or 7pm–7:30am
- Applicants will have full benefits after 90 days

Education and/or Experience:

- Required to be at least 21 years of age
- Bachelor's degree, preferably in chemistry or a related field
- 1-3 years professional brewing experience; must include operation of brew house
- Strong mechanical background a plus
- Proven ability to work with little to no supervision and be able to follow directions.
- Valid driver's license with ability to meet company's insurance requirements
