## Back to school can mean back to germs!

If your child wakes up with a fever, stomach ache, running nose, diarrhea, vomiting or has had any of the symptoms the night before, **PLEASE** keep them home to make sure they are **NOT** sick. We do have a 24 hour rule. This really helps to cut back on the spreading of germs to children and the teachers!

**Please make sure you have at least one change of clothes in your child's cubby at ALL times! Otherwise we will have to call you to pick up your child or bring us clothes if they have a potty accident.**

**Please remember to take home your child's blanket and pillow every week to be washed! This helps cut down on illness!!**

## Community Service Month

**March is community service month in the Preschool. If you have a skill or special job that you could share with the children, please contact Mrs. Wilson right away!**

**We have had Dentists, nurses, chefs, firemen, policemen, military personnel, ambulance drivers, hairdressers, paramedics, dog trainers, Smokey the Bear, and many more! We would love for you to share your job with the children!**
