

Sermon Excerpts:

“Congregational Science, Sermon II”

May 22, 2022

Congregational science is God’s plan for The Tabernacle of Glory Church to create an environment of nurturing, promoting, cultivating, fostering, and farming, both acceptance and connection where everyone can have the opportunity to flourish.

Congregational Science is a way that we must think critically and act strategically to translate our weekend experience of going to church and commit to being the church so that our lives, families, and communities will be better financially, spiritually, socially, physically, emotionally, and environmentally.

John 10:10 “Jesus said, The Adversary comes to do nothing but still, kill, and destroy but I have come to give life and give it more abundantly.”

Ecclesiastes 4:9-12 (MSG) “It's better to have a partner than go at it alone. Share the work, share the wealth. And if one falls down, the other helps, But if there's no one to help, tough! Two in a bed warm each other. Alone, you shiver all night. By yourself you're unprotected. With a friend you can face the worst. Can you round up a third? A three-stranded rope isn't easily snapped.”

Matthew 18:19 “Again I tell you, if two of you on earth agree harmonize together, make a symphony to get together on anything at all on earth and make a prayer of it, my

Father in heaven goes into action. And when two or three of you are together because of me, you can be sure that I'll be there."

Hebrews 10:24-25 *"And let us consider and give attentive, thoughtful, continuous care to watching over one another, studying how we may stimulate, provoke, incite, and motivate, each other to love and helpful activities. Don't neglect to meet together, as is habitual with some, but giving mutual encouragement, especially since you know that the day of the Lord's coming is getting closer."*

Each of us must use our life, experience, service, contribution, attendance, participation, and worship in close contact with other believers.

When we team up for anything to reveal the goodness of God to be blessed and be a blessing to overthrow the powers of Satan, and his disruption is neutralized.

The Art of Gathering: How We Meet and Why It Matters:

- By gathering we can exchange information, experiences, inspire one another, and experiment with new ways of being together.
- Connections and growing together does not happen spontaneously, like weeds.
- According to Susan and Thomas Kuczumski, "collaboration involves teamwork, solving tough problems, exchanging insights, sharing knowledge, communicating frustrations, joys, and victories. God isn't calling us to isolation nor competition but to collaboration"

Deuteronomy 23:10 *"Each one of you will put to flight a thousand of the enemy, for the LORD your God fights for you, just as he has promised."*

Leviticus 26:8 *"Five of you will be able to defeat a hundred, and a hundred will be able to defeat ten thousand."*
