**ASSIGNMENT AND RELEASE**

I understand that if my insurance company requires a co-payment for services, I will pay it at the time of my visit.

I hereby authorize release of medical information from my physician as it may be necessary for completion of my insurance claim and continuing medical treatment.

\*\*\*I understand that it is my responsibility to make sure the physician is a participating provider covered under my insurance plan. I understand if they are not providers, the office will file with my insurance, but any unpaid portion of my bill is my responsibility (i.e. out of network charges, deductibles, etc.). I am responsible for notifying the nurse or receptionist where blood work (lab) needs to be sent for testing (examples: Lab Corp, DCH). I am responsible for changing my primary care physician if my insurance requires a PCP. I understand I am responsible for making sure if I need a referral to the hospital, ER, or other physician (not scheduled by PCP office), I will notify the office within 72 hours or no referral will be done.

I hereby authorize direct payment to the physician. I am responsible for my copays and for any services rendered that are not covered by my insurance. I understand that these noncovered charges are my financial responsibility. I understand that if I do not fulfill my financial obligations that I can be turned over to a collections agency and any collection and/or attorney fees assessed to my account are my responsibility.

\*\*\*\*I am aware that I am to give the office a 24 hour notice upon cancellation of my appointment. I understand that if I miss my appointment without notice of cancellation I will be billed \$30.00 for no showing for my appointment. I also understand that my insurance company cannot be billed for this and I will be responsible for payment of these charges.
