IRELAND

July 15, 2013

Dear Friends and Family,

Summer has arrived here in Ireland! With the longer days, the temperatures have been rising (between 70-75 degrees), and we are preparing for all of the events of the summer!

In the month of June we were able to teach Sunday School (a children's church) again and had an average of 27 children. June was the church's Mission and Evangelism month, and we enjoyed teaching the children about what it means to be a missionary. We taught a story about a missionary from Scotland by the name of John Paton. Right alongside this story, we taught them about the greatest missionary to the Gentiles – the Apostle Paul! We learned each week from the book of Acts how Paul was called, the price he paid as a missionary, the joy of being a missionary, and lastly, Paul's burden for missions, a burden that is still needed today.

Also in June, Bible Baptist Church celebrated its 19th anniversary. 145 people attended this milestone celebration! After the morning service, we had a special luncheon and then ended the special day with a young man being baptized!

Since we have arrived, Jennifer and I have been very involved with the Reformers Unanimous ministry. We have had several visitors the last few weeks and truly are burdened that they will trust Christ. We are praying especially for a woman by the name of Doris. She has been coming for several weeks and is very close to trusting Christ as her Savior. Jennifer has developed a friendship with her and has spent much time showing her the Bible and helping her to realize her need for salvation. Please pray that she will get saved and that God will give us wisdom to answer her questions.

Summer here includes three big events. The first is a Youth Camp, an endeavor that the church has undertaken for the past several years. This year's Youth Camp was the first time that we got to help, and it was awesome! Altogether we had 86 campers and helpers and 6 children were saved! Our second big event, our Bible Club, takes place in August. Bro. Ledbetter has asked us to help lead this event. We are both excited and nervous as it will be our first time putting together a Bible Club program. The theme is Amazing Kids of the Bible. Our third event is a big teen outreach called Target the Heart. This is one special week of focused evangelism for teens with preaching meetings every night.

We also would ask special prayer for Pastor Ledbetter and the Bible Baptist Church families. They have been given an opportunity to purchase a building. For many years they have not had their own building to meet for worship, but have had to rent meeting rooms for every service. Please pray for wisdom for the leadership of the church, as well as favor from the bank and various government officials they will be dealing with.

We are so thankful to the Lord for you all! Your prayers and financial support are such an encouragement to us. Please continue to pray that we can have an impact on the lives of those here and that we'll see more people saved.

Your Missionaries in Ireland,

Andrew and Jennifer Day
