### SUMMIT OVERVIEW

This year's Summit is focused on overcoming obstacles and challenges from the past and moving your city toward the direction on how to solve them. Our summit is geared toward strengthening small municipalities by building stronger leadership among city leaders and building a network system for small municipalities.

### WHO SHOULD ATTEND?

The Small City Economic Leadership Empowerment Summit is designed for all city leaders who are involved in improving the quality of lives in their communities. The targeted audience includes mayors, city councils, and other city officials in small municipalities, legislators, Faith-based leaders, and community leaders.

### SUMMIT REGISTRATION INFORMATION

The summit registration is \$50 per attendee for **early registration**. Registration on the day of the event is \$60. Booth Space is \$200, which includes (2) registrations. The registration includes materials, a continental breakfast, and lunch. Registration forms are available at [www.houseaboutit.org](http://www.houseaboutit.org). **Payment must accompany registration.**
