

Live, Local and Relevant Workshop Series of Vista Psychological & Counseling Centre Presents:

Making Referrals for Psychological Testing and Expectations

Goals:

1. To provide attendees with how to make a referral for psychological testing
2. To know the basic expectations of testing outcomes
3. To establish the formulation of specific referral questions

This Live Workshop has been approved by the Ohio Psychological Association (Provider #262155946) for 3 Standard CE hours. Programs approved by OPA are accepted by the Ohio Counselor, Social Worker and Marriage and Family Therapy board.

Presenter: Robert A Humphries Ph.D.

About the Presenter: Dr. Bob Humphries brings a wealth of teaching experience to his presentations. He retired as an Associate Professor at Walsh University in July of 2020 after 21 years as a fulltime instructor, having served as an adjunct for the 10 years prior. His nearly four decades of clinical work in the community and continued at his private practice at Vista Psychological & Counseling Centre in North Canton, Ohio beginning in May of 2008 augment his teaching with a wealth of stories, antidotes and clinical experiences to share.
