

**APPENDIX B: PRESENTATIONS**

---

Presented by the following sections: In-Person Courses, Webinars and Podcast education in reverse chronological order.

692 presentations:

390 In-Person Courses, including International, National, and local courses

313 webinars, podcasts

**In-Person Courses:**

---

2021

Nov 2021	Positioning for Function ACTNow Action Seating / Stealth Products Tulsa, OK
Oct 2021	Dynamic Seating New Mexico Mobility and Positioning conference <b>(virtual)</b> New Mexico
Oct 2021	Head School Let's Get Real: using Virtual Reality for Power Wheelchair Assessment and Training (with Wade Lucas) Alpine Rehab Salt Lake City, UT
Sept 2021	Power Mobility: Alternative Driving Methods Alliance Rehab & Medical / Stealth Products Springfield, MO St. Louis, MO
Sept 2021	Power Mobility: Alternative Driving Methods Miller's Annual Conference Akron, OH
August 2021	Positioning and Access for SLPs The AAC Speech Clinic Las Vegas, NV
July 2021	Judging Smart (with Jean Minkel and Jered Dean) <b>(virtual)</b> RESNA
June 2021	Mobility: Dependent vs. Independent. What are the Clinical Indicators? Numotion Nufair <b>(virtual)</b>
May 2021	Wheelchair Positioning <b>(virtual)</b> Local Inservice
March 2021	Course update recordings

HomeCEUConnection

Feb 2021	Switched-On Students – <b>virtual</b> Infinitec
January 2021	Power Mobility series recordings MedBridge
<u>2020</u>	
Oct 2020	Slip Sliding Away: positioning the pelvis Supporting the Primary Support Surfaces – appropriate use of secondary supports Pediatric Power Mobility Assessment and Driving Training Tools Alpine Rehab Conference / Stealth Products <b>virtual due to COVID 19</b>
April 2020	Dynamic Seating How do I know a child is ready for power mobility? Switch Assessment TIES Conference Salem, OR <b>virtual due to COVID 19</b>
March 2020	A New RESNA Position Paper on Dynamic Seating International Seating Symposium Vancouver, BC
Feb 2020	Slip Sliding Away – Positioning the Pelvis Sit Up Straight – Positioning the Trunk Positioning Kids Travis Medical / Stealth Products Georgetown, TX
<u>2019</u>	
November 2019	Power Mobility: Alternative Driving Methods Stealth Products Columbia, MO
November 2019	Pediatric Power Mobility Alternative Driving Methods Clarkson University Potsdam, NY
November 2019	Dynamic Seating Action Seating and Mobility, Seating Dynamics Tulsa, OK
October 2019	Positioning Kids Heads Up!

	Beyond the Joystick: Alternative Driving Methods Numotion, Stealth Products Dallas, TX
September 2019	Positioning Kids Heads Up! Beyond the Joystick Numotion, Stealth Products Chicago, IL
August 2019	Supporting the Primary Support Surfaces - appropriate use of secondary supports Custom Seating Reimagined! Numotion, Stealth Products Atlanta, GA
August 2019	Pediatric Power Mobility Fletcher Miller School, Stealth Products Lakewood, CO
April 2019	Using Virtual Reality to Reimagine the Assessment Process Canadian Seating and Mobility Conference Toronto, Ontario
April 2019	Heads Up! Strategies to Position the Head Beyond the Joystick: Alternative Driving Methods Numotion, Stealth Products Toledo, OH
March 2019	Dynamic Seating - exploring theory, research, and products Pediatric Power Wheelchair Assessment and Training 3 Ways to Keep Your Client's Head Up! Using Virtual Reality to Reimagine the Assessment Process International Seating Symposium Pittsburgh, PA
February 2019	Wheelchair Seating and Secondary Supports Power Mobility: Alternative Driving Methods 3 Ways to Keep Your Client's Head Up Travis Medical, Stealth Products Georgetown, TX
<u>2018</u>	
December 2018	Positioning the Head National Seating and Mobility, Stealth Products Peoria, IL
November 2018	Early Intervention with AAC

	ASHA Boston, MA
November 2018	Positioning the Head Pediatric Power Mobility WI Schools, Stealth Products Wisconsin Dells, WI
October 2018	Pediatric Power Mobility Region 4, Stealth Products Houston, TX
September 2018	Positioning the Head Secondary Supports Pediatric Power Mobility Numotion, Stealth Products St. Louis, MO
August 2018	Positioning the Head Secondary Supports Power Wheelchair Alternative Driving Methods Travis Medical, Stealth Products Corpus Christ, TX Victoria, TX
July 2018	Positioning and Mobility for Complex Clients (pre-conference) Seating and Wheeled Mobility: a new resource RESNA Arlington, VA
June 2018	Positioning the Head Switch Assessment TX AT Network conference Houston, TX
May 2018	Secondary Supports Positioning the Head Wheelchair Backs Numotion, Stealth Products Philadelphia, PA
April 2018	Positioning for Function Positioning the Head Switch Assessment Pediatric Power Mobility TIES conference Eugene, OR

April 2018	EADLs and Switch Assessment Lifescape Sioux Falls, SD
March 2018	Dynamic Seating (pre-conference) Power Wheelchair Alternative Driving Methods (pre-conference) International Seating Symposium Vancouver, BC
February 2018	Dynamic Seating Travis Medical, Seating Dynamics Georgetown, TX
February 2018	Positioning the Head Dynamic Seating Wheelchairs and Speech Generating Devices National Seating and Mobility Oklahoma City, OK
<u>2017</u>	
Dec 2017	Positioning, Mobility, and Switch Access in the School Setting Harris Department of Education Houston, TX
Nov 2017	Dynamic Seating NuFair, Seating Dynamics Portland, OR Seattle, WA
Nov 2017	3 Ways to Keep Your Client's Head Up Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Power Mobility: Alternative Driving Methods Great American Mobility, Stealth Products Houston, TX
Oct 2017	Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Power Wheelchair Driving Methods for Your Toughest Clients NuFair, Stealth Products Boston, MA
Sept 2017	3 Ways to Keep Your Client's Head Up Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Numotion, Stealth Products Ft. Wayne, IN

Aug 2017            3 Ways to Keep Your Client's Head Up  
Power Wheelchair Driving Methods for Your Toughest Clients  
Alliance Rehab, Stealth Products  
Branson, MO

July 2017            Power Mobility: Alternative Driving Methods  
Stealth Products  
Nashville, TN

July 2017            Wheelchair Seating and Secondary Supports: are we promoting function or tying  
the client down?  
NuFair, Stealth Products  
Atlanta, GA

May 2017            Power Mobility: Alternative Driving Methods  
Stealth Products  
Riverside, CA

May 2017            Power Wheelchair Driving Methods for Your Toughest Clients  
NuFair, Stealth Products  
Philadelphia, PA

May 2017            Power Mobility: Alternative Driving Methods  
Stealth Products  
Baltimore, MD

May 2017            Alternative Driving Methods: What's New?  
Canadian Seating and Mobility Conference  
Toronto, Canada

March 2017           Dynamic Seating  
NuFair, Seating Dynamics  
Salisbury, MD

March 2017           Positioning the Head  
Dynamic Seating (pre-conference session)  
International Seating Symposium  
Nashville, TN

Feb 2017            Power Mobility: Alternative Driving Methods  
Stealth Products  
Houston, TX

Feb 2017            Positioning for Function  
Numotion, Stealth Products  
Houston, TX

2016

Dec 2016	Switch Assessment Infinitec Wichita, KS
Nov 2016	Pediatric Seating NuFair, Stealth Products Dallas, TX
Nov 2016	Positioning for Function TIRR, Stealth Products Houston, TX
Nov 2016	Pediatric Power Mobility Numotion, Stealth Products Seattle, WA Portland, OR
Sept 2016	Power Wheelchair Driving Methods for Clients with Increased Tone Pediatric Seating NuFair, Stealth Products Indianapolis, IN
Sept 2016	Pediatric Seating Pediatric Power Mobility Stealth Products Baltimore, MD
July 2016	Switch Assessment Green River Regional Educational Cooperative Bowling Green, KY
July 2016	Power Wheelchair Driving Methods Positioning the Head RESNA Arlington, VA
June 2016	Dynamic Seating Head Positioning Sleep Positioning Numotion Philadelphia, PA
June 2016	Positioning for Function Stealth Products Duluth, MN
March 2016	Power Wheelchair Driving Methods for Clients with Muscle Weakness International Seating Symposium

	Vancouver, BC
Jan 2016	Positioning for Function Stealth Products Sioux Falls, SD
Jan 2016	Switch Assessment Infinitec Palatine, IL Tinley Park, IL
<u>2015</u>	
Nov 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Seattle, WA
Nov 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Portland, OR
Nov 2015	Positioning the Head NuFair Stealth Products Dallas, TX
Oct 2015	Advanced Seating and Mobility (2 day course) RESNA/MedTrade Atlanta, GA
Oct 2015	Power Wheelchair Alternative Driving Methods: what's new? MedTrade Stealth Products Atlanta, GA
Oct 2015	Advanced Seating and Mobility (2 day course) Rusk Rehab Columbia, MO
Oct 2015	Alternative Drives, Dynamic Seating, Positioning the Head and Pediatric Seating Numotion Springfield, MO

Oct 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone Closing the Gap Stealth Products Bloomington, MN
Oct 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Long Beach, CA
Oct 2015	Alternative Drive Controls Long Beach VA Stealth Products Long Beach, CA
Sept 2015	Alternative Drive Controls NuFair Stealth Products Lansing, MI
Sept 2015	Alternative Drive Controls Good Shepherd Stealth Products Allentown, PA
Sept 2015	Fundamentals Course Palo Alto VA RESNA Palo Alto, CA
Sept 2015	Positioning for Function Stealth Products Temecula, CA
Sept 2015	Positioning for Function San Diego School District Stealth Products San Diego, CA
Aug 2015	Alternative Drive Controls Rancho Los Amigos Stealth Products Downey, CA

Aug 2015	Alternative Drive Controls Positioning for Function Stealth Products/Big Sky AMES Anaconda, MT
July 2015	Power Wheelchair Assessment Numotion Tampa, FL
July 2015	Building Consensus National Seating and Mobility annual symposium Nashville, TN
June 2015	Switch Assessment Basic EADLs RESNA Annual Conference Denver, CO
June 2015	Switch Assessment and Mounting Positioning for Access TATN Dallas, TX
May 2015	Positioning the Head Alternative Drives for Clients with Increased Muscle Tone Stealth Products NuFair Spokane, WA
April 2015	Alternative Drives Stealth Products Waco, TX
March 2015	Power Wheelchair Assessment and Access Numotion Cape Girardeau, MO
March 2015	Power Wheelchair Assessment and Access Numotion St. Louis, MO
Feb 2015	Power Mobility: Alternative Drive Controls Controlling Speech Generating Devices through a Power Wheelchair International Seating Symposium Nashville, TN
Feb 2015	Positioning the Head Alternative Drive Controls for Clients with Increased Muscle Tone

	Stealth Products/Travis Medical Round Rock, TX
Feb 2015	Switch Assessment United Cerebral Palsy Chicago, IL
Jan 2015	Positioning for Function Stealth Products NuFair Seattle, WA
Jan 2015	Positioning for Function Stealth Products NuFair Portland, OR
<u>2014</u>	
Oct 2014	Advanced Seating and Mobility RESNA Atlanta, GA
Oct 2014	Fundamentals in Assistive Technology RESNA Phoenix, AZ
Sept 2014	Fundamentals in Assistive Technology RESNA Boston, MA
Aug 2014	Alternative Drive Controls Stealth Branson, MO
July 2014	Beyond the Basics Numotion Atlanta, GA
June 2014	Power Wheelchair Assessment Instructional Course Switch Assessment workshop RESNA Indianapolis, IN
May 2014	Fundamentals in Assistive Technology RESNA Newark, NJ
April 2014	Switch Assessment and EADLs

	Owensboro and Eddyville, KY
April 2014	Advanced Seating and Mobility RESNA Orlando, FL
March 2014	Pediatric Seating and Mobility Ft. Mitchell, KY
March 2014	Positioning for Function Stealth Products Portland, OR
March 2014	Alternative Access Methods Numotion/Stealth Products Phoenix, AZ
Jan 2014	Keynote at Annual Meeting Rehab Medical Indianapolis, IN
<u>2013</u>	
Nov 2013	Restraints vs. Secondary Supports Bodypoint Seattle, WA and Portland, OR
Oct 2013	Advanced Seating and Mobility 2 day course RESNA Atlanta, GA
Oct 2013	Pediatric Power Mobility Cook Children's Hospital Ft. Worth, TX
Oct 2013	Positioning for Function Stealth Products Morgantown, WV
Sept 2013	Power Wheelchairs: Advanced Applications Miller's Akron, OH
Sept 2013	Fundamentals in Assistive Technology RESNA Jackson, MI
Sept 2013	Positioning for Function Stealth Products

McAllen, TX

July 2013      Positioning for Function  
Stealth Products  
Round Rock, TX

June 2013      Positioning for Function  
Stealth Products  
Los Angeles, San Diego, CA

June 2013      Augmentative Communication: access, mounting and interfacing (full day)  
SWAAAC Summer Symposium  
Denver, CO

April 2013      Positioning for Function  
Stealth Products  
St. Louis, Springfield, MO

April 2013      Positioning for Function  
Stealth Products  
Los Angeles, San Diego, CA

March 2013      Positioning for Function  
Stealth Products  
Missoula, MT

March 2013      Pediatric Power Mobility  
Abilities Expo  
Los Angeles, CA

March 2013      Advanced Power Wheelchair Applications  
Staying on Track – Evaluating the Efficacy of Power Wheelchair Tracking  
International Seating Symposium  
Nashville, TN

Feb 2013      Positioning and Mobility  
Guest Lecture, Occupational Therapy Class  
Colorado State University, CO

Feb 2013      Positioning Assessment  
NuMotion Annual Conference  
Las Vegas, NV

Feb 2013      Positioning for Function  
Stealth Products  
Birmingham, AL; Atlanta, GA

2012

Nov 2012	Positioning for Function Stealth Products Tampa, Orlando, Miami, FL
Oct 2012	Switch Assessment Putting the Pieces Together Closing the Gap Minneapolis, MN
Sept 2012	Fundamentals in Assistive Technology Course RESNA Ft. Worth, TX
Aug 2012	Positioning for Function Rehab Rally Chicago, IL
Aug 2012	Power Wheelchairs: Advanced Applications ATG Rehab Bethany, OK
August 2012	Switch Assessment, Electronic Aids to Daily Living and AAC Mounting Dallas, TX
July 2012	Positioning for Function Stealth Lafayette, CO
June 2012	Switch Assessment for Type and Location and Switch Mounting Using Power Wheelchairs to Access the Computer and Speech Generating Devices Texas AT Network Statewide Conference Houston, TX
June 2012	Fundamentals in Assistive Technology Course Power Wheelchair Assessment Instructional Course A New Position Paper: Application of Wheelchairs, Seating Systems and Secondary Support for Positioning vs. Restraints workshop Staying on Track – Evaluating the Efficacy of Power Wheelchair Tracking Technology in Switch Driving workshop RESNA Baltimore, MD
May 2012	Pediatric Power Mobility ATG Rehab Hartford, CT
May 2012	Power Wheelchairs: Advanced Applications

	ATG Rehab Boston, MA
April 2012	Electronics Aids to Daily Living with Young Children and in the Classroom HomeCEUConnection.com
<u>2011</u>	
Oct 2011	Pediatric Power Mobility ATG Rehab Santa Clara, San Mateo, Salinas, CA
Oct 2011	Power Wheelchair Assessment Switch Assessment EADLs (2 day course) Center for Discovery Harris, NY
Sept 2011	Access to Mobility and Assistive Technology in the Classroom Setting: Practical Applications AbleNet Austin, TX
July 2011	Enhancing Functional Outcomes through Seating and Positioning Rehab Rally Conference and Expo Orlando, FL
April 2011	Pediatric Power Mobility Navigating the Care of the Medically Fragile Child Boston, MA
April 2011	Alternative Access Methods for Power Wheelchairs MedGroup Las Vegas, NV
March 2011	Power Mobility Assessment ATG Rehab Philadelphia, PA
March 2011	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet King of Prussia, PA
March 2011	Power Wheelchair Assessment International Seating Symposium Nashville, TN

Feb 2011                    Access to Mobility and Assistive Technology in the Classroom Setting: practical applications  
Ablenet  
Dallas and Houston, Texas

2010

Nov 2010                    RESNA Fundamentals in Assistive Technology Course  
MedTrade  
Atlanta, GA

Nov 2010                    Access to Mobility and Assistive Technology in the Classroom Setting: practical applications  
Ablenet  
Ft Lauderdale, Gainesville and Tallahassee, FL

Sept 2010                   Seating for Function  
ATG Rehab  
Colorado Springs, CO

August 2010                Access to Mobility and Assistive Technology in the Classroom Setting: practical applications  
Ablenet  
Tampa, FL

June 2010                   This Isn't Your Grandma's Power Chair  
ATG Rehab  
Denver, CO

May 2010                   Access to Mobility and Assistive Technology in the Classroom Setting: practical applications  
Ablenet  
Orlando, FL

April 2010                   Pediatric Power Mobility  
ATG Rehab  
Loveland, CO

April 2010                   Seating for Function  
ATG Rehab  
Memorial Hospital  
Colorado Springs, CO

March 2010                   Power Mobility Assessment  
Pride Mobility  
Nashville, TN

March 2010                   Seating for Function  
New Mexico Annual Technology Conference

Albuquerque, NM

Feb 2010 Using Power Wheelchair Electronics to Access Speech Generating Devices and Computers  
Mounting Assistive Technology Devices to Wheelchairs  
Lakeview School  
Edison, NJ

Jan 2010 Pediatric Seating and Mobility  
Therapeutic Services  
New York, NY

2009

Oct 2009 Seating for Function  
ATG Rehab  
Rocky Hill, CT

Aug 2009 Fundamentals in Assistive Technology Course  
RESNA  
Anchorage, AK

June 2009 Pediatric Power Mobility  
RESNA  
New Orleans, LA

May 2009 Med Group Conference  
Switch Assessment  
Denver, CO

May 2009 New power wheelchair electronics  
Canadian Seating and Mobility Conference  
Toronto, Canada

May 2009 Seating  
Mobility  
New Mexico Annual Technology conference  
Santa Fe, NM

April 2009 Ablenet  
Assistive Technology in the Classroom  
LA County School District  
Los Angeles, CA

March 2009 New Power Wheelchair Electronics  
International Seating Symposium  
Orlando, FL

Feb 2009 New power wheelchair electronics: clinical applications

United Seating and Mobility  
Annual Sales Meeting  
Tucson, AZ

2008

- Dec 2008      Power wheelchair electronics  
Internal Staff Training  
Quantum Rehab  
PA
- Nov 2008      Pediatric Wheelchair Seating (full day course)  
Mayo Clinic  
Rochester, MN
- Oct 2008      Location, Location, Location! Determining the Best Switch Location and Type for  
Access to Assistive Technology  
Tom and Jerry: Using the Power Wheelchair to Control the Computer Mouse  
Closing the Gap  
Minneapolis, MN
- Oct 2008      Electronic Aids to Daily Living  
Occupational Therapy Association of Colorado  
Northglenn, CO
- June 2008      New Power Wheelchair Electronics  
Pediatric Powered Mobility Position Paper  
RESNA  
Washington, DC
- June 2008      AT Applications for Challenging Individuals  
Collaborative Assistive Technology Conference of the Rockies  
Denver, CO
- April 2008      Access to Mobility and Assistive Technology in the Classroom Setting: practical  
applications  
(with Ginny Paleg) (4 days)  
Ablenet/Otto Bock  
New York, NY
- April 2008      Introduction to Assistive Technology  
Lecture  
Occupational Therapy Department, Colorado State University  
Ft. Collins, CO
- March 2008      Interfacing  
Abilities Expo  
Edison, NJ

Feb 2008	Switch Assessment Colorado Department of Education Motor Conference Denver, CO
Jan 2008	Pediatric Power Mobility Assistive Technology Group El Monte, Riverside, Santa Ana, Ventura, CA
<u>2007</u>	
Nov 2007	Pediatric Power Mobility Assistive Technology Group Lakewood, CO
Oct 2007	Pediatric Power Mobility Assistive Technology Group Hartford, Westport, CT Worcester, Raynham, MA
Sept 2007	Pediatric Power Mobility Assistive Technology Group Sacramento, Stockton, Palo Alto, Salinas, CA
July 2007	Pediatric Power Mobility Omaha, NE
June 2007	A Comprehensive Approach to Assistive Technology for Persons with ALS Auditory - Visual Scanning: What Is It? How Do We Teach It? Collaborative Assistive Technology Conference of the Rockies Denver, CO
May 2007	Review Course for ATS/ATP Credential University of Pittsburgh Alexandria, LA
April 2007	Fundamentals in Assistive Technology Course (4 days) RESNA Singapore
March 2007	Pediatric Seating and Positioning New power wheelchair electronics RESNA Position Papers International Seating Symposium Orlando, FL
Feb 2007	Review Course for ATS/ATP Credential University of Pittsburgh Denver, CO

2006

- Oct 2006                    Switch Assessment: Determining Type and Location  
Wheelchair Mounting Systems for Communication Devices and Computers  
Canadian Seating and Mobility Conference  
Toronto, Canada
- Oct 2006                    Complex Client: Power Mobility Needs  
Sunrise Medical  
Denver, CO
- Sept 2006                    Switch Assessment  
EADLs  
Johnston, IA
- Aug 2006                    Complex Client: Power Mobility Needs  
Sunrise Medical  
Pittsburgh, PA
- June 2006                    Switch Assessment  
RESNA Annual Conference  
Atlanta, GE
- June 2006                    Switch Apprentice: Power Mobility and EADLs  
The Collaborative Assistive Technology Conference of the Rockies  
Denver, CO
- April 2006                    Advanced Applications in Power Mobility  
National Seating and Mobility Seating Symposium  
Scottsdale, AZ
- March 2006                    Power Mobility: Connecting Clinical Needs to Assistive Technology  
What's New in Power?  
Sunrise Medical  
Houston, TX
- March 2006                    Increasing Independence across the Ages  
CSUN  
Los Angeles, CA

2005

- August 2005                    Advanced Clinical Education for the RTS  
NRRTS 2005 Educational Conference  
St. Louis, MO
- April 2005                    Interfacing Assistive Technology with Power Wheelchairs  
New Mexico Technology Assistance Program  
Annual Conference  
Albuquerque, NM

March 2005	Electronic Aids to Daily Living: providing independent control of devices in the environment CSUN annual conference Northridge, CA
Jan 2005	Power Wheelchair Access Evaluation and Programming Interfacing Assistive Technology and Power Wheelchairs International Seating Symposium Orlando, FL
<u>2004</u>	
Nov 2004	Wheelchair Evaluation Training New Mexico Technology Assistance Program Las Cruces, NM
Oct 2004	Wheelchair Evaluation Training New Mexico Technology Assistance Program Albuquerque, NM
June 2004	Assistive Technology and Motor Access Positioning, Mobility and Computer Access The Collaborative Assistive Technology Conference of the Rockies Denver, CO
June 2004	Interfacing Assistive Technology with Power Wheelchairs RESNA annual conference Orlando, FL
March 2004	Electronic Aids for Daily Living Technological Life Resources: More than Machinery Grand Rapids, MI
<u>2003</u>	
Oct 2003	Basic EADLs Closing the Gap Minneapolis, MN
Oct 2003	Fundamentals in Assistive Technology Course MedTrade Atlanta, GE
June 2003	24 Hour Postural Management: Positioning in Sleep Fundamentals of the Medical Model: Applications of Assistive Technology for Different Diagnoses Annual SWAAAC Conference Winter Park, CO

June 2003            Electronic Aids to Daily Living: What's in a Name?  
RESNA  
Atlanta, GE

2002

Nov 2002            Power Mobility access  
Achieving New Heights with Assistive Technology  
Aurora, CO

Oct 2002            Fundamentals in Assistive Technology Course  
MedTrade  
Atlanta, GE

Oct 2002            Switch Access & Assessment  
Closing the Gap  
Minneapolis, MN

Sept 2002           Switch Access & Mobility Assessment  
Wichita, KS

Aug 2002            Electronic Aids to Daily Living  
Switch Access & Assessment  
Pediatric Assistive Technology & Rehab Symposium  
Richmond, VA

June 2002           Switch Access and Assessment  
The Interfacing of AT and Power Wheelchairs: Exploring Advances in Electronics  
RESNA annual conference  
Minneapolis, MN

June 2002           Switch Access and Assessment  
Interfacing Power Wheelchairs and Assistive Technology Devices  
SWAAAC annual conference  
Winter Park, CO

2001

Oct 2001            Electronic Aids to Daily Living  
Achieving New Heights with Assistive Technology  
Aurora, CO

Oct 2001            Assistive Technology Training  
Switches and Assessment  
Augmentative Communication Devices: Access  
Interfacing Assistive Technology with Power Wheelchairs  
New York Board of Education  
Brooklyn, NY

Sept 2001           Switches: Assessment for Type and Location

	Seating People with Acquired Brain Injuries Canadian Seating and Mobility Conference Toronto, Ontario
Sept 2001	Training Pre-Mobility and Mobility Skills for Kids in Power Wheelchairs Interfacing Assistive Technology Devices with Power Wheelchairs Switch Access Assessment for Type and Placement of the Switch Heartland Conference Waterloo, IA
June 2001	Interfacing Assistive Technology with Power Wheelchairs Pre-conference session RESNA Reno, NV
June 2001	Positioning: the basis for accessing assistive technology SWAAAC annual conference Breckenridge, CO
April 2001	RESNA Fundamentals in Assistive Technology Course Boise, ID
April 2001	Positioning, Mobility Access and Interfacing Power Up! Columbia, MO
March 2001	Electronic Aids to Daily Living Keynote address Switches and Assessment Grand Junction, CO
<u>2000</u>	
Nov 2000	Tone and Technology Building Bridges with Assistive Technology Aurora, CO
Oct 2000	Wheelchair Positioning Power Wheelchair Access Methods Power Wheelchair Interfacing 2 day course Missoula, MT
Sept 2000	Advanced Mobility Advanced Interfacing 2 day course The Heartland Conference Topeka, KS
June 2000	Switch Assessment: Type and Location

	2000 SWAAAC Conference Breckenridge, CO
April 2000	New Solutions in Seating and Mobility Updates on Cerebral Palsy Treatment Denver, CO
April 2000	Electronic Aids to Daily Living: an Overview Seating Strategies American Occupational Therapy Association Annual Conference Seattle, WA
<u>1999</u>	
Nov 1999	Wheelchair Mounting Systems for Communication Devices Mission Possible: Building Bridges with Assistive Technology Denver, CO
Nov 1999	Positioning and Mobility: an Overview AOTA SIS Practice Conference Reno, NV
Oct1999	Positioning, Mobility and Interfacing Assistive Technology Preconference workshop Closing the Gap Minneapolis, MN
Oct 1999	An Overview: Electronic Aids to Daily Living Electronic Aids to Daily Living for Children ATIA World Conference Orlando, FL
Sept1999	RESNA Fundamentals in Assistive Technology Course Toronto, Ontario, Canada
June 1999	Electronic Aids to Daily Living Lab RESNA Long Beach, CA
May 1999	Assistive Technology Course Grafton, ND
April 1999	Electronic Aids to Daily Living Lab Assistive Technology Lab American Occupational Therapy Association annual conference Indianapolis, IN
April 1999	RESNA Fundamentals in Assistive Technology Course Banff, Alberta Canada

- March 1999            The Baclofen Pump and Positioning  
Botox Injection: A Case Study  
Interfacing Assistive Technology with Power Wheelchairs  
International Seating Symposium  
Orlando, FL
- 1998
- Oct 1998            Principles of Wheelchair Seating  
University of Iowa  
Iowa City, IO
- Sept 1998           Introduction to Electronic Aids to Daily Living  
Interfacing with Power Wheelchairs  
Canadian Seating and Mobility Conference  
Toronto, Ontario
- June 1998           Environmental Control Lab  
RESNA  
Minneapolis, MN
- May 1998           Interfacing Assistive Technology to Power Wheelchairs  
Mounting Switches and Communication Devices to Wheelchairs  
Colorado Assistive Technology Project annual conference  
Denver, CO
- April 1998           Another Way to Do It...Environmental Control Units  
The Interagency Project for Assistive Technology  
Fargo, ND
- 1997
- Nov 1997           Introduction to Assistive Technology for Children with Special Needs  
Teleconference for the Health Care Program for Children with Special Needs  
Denver, CO
- Oct1997            Environmental Controls: Comprehensive Review of Available Systems  
Full-day instructional course  
Elkgrove, IL
- Aug 1997           Environmental Controls: Comprehensive Review of Available Systems  
Environmental Controls for Children  
Keys to Independence...Assistive Technology for All Generations Conference  
Jamestown, ND
- June 1997           Seating the Challenging Client  
Powered Mobility Access Methods  
RESNA  
Pittsburgh, PA

- Annual Colorado Assistive Technology Project Conference  
Denver, CO
- March 1991 Promoting Choice in the Selection of Assistive Technology Devices  
California State University at Northridge annual conference  
Northridge, CA
- 1990
- May 1990 Toys and Computers: Enhancing Children's Play  
ABC Conference/Early Childhood Collaborative Conference  
Westminster, CO
- April 1990 Available Environmental Control Systems and Choosing the Right One  
Unlocking the Environment through Assistive Technology  
Annual Assistive Technology Conference  
Northglenn, CO
- 1989
- Jan 1989 Guest lecture for University of Southern California Occupational Therapist  
graduate class  
Overview of rehabilitation technology  
Los Angeles, CA
- 1988
- Nov 1988 Computer Access for Orthopedically Disabled Persons - an overview of adaptive  
hardware  
Occupational Therapy Association of California's annual conference  
Irvine, CA
- Nov 1988 Computer Access Evaluation for Orthopedically Disabled Persons  
Computer Technology/Special Education /Rehabilitation Conference  
Northridge, CA
- Sept 1988 Environmental Control Units - Evaluation and overview of available systems  
California Children Services  
El Monte, CA
- Sept 1988 Funding of Technology for Individuals  
Computer Access Center  
Santa Monica, CA
- July 1988 Toys and adaptations: what's available  
Technology for Tots/Junior Foundation for the Blind

2021

- Dec 2021                      Switch Assessment for Persons with Muscle Weakness  
 Ablenet
  
- Dec 2021                      Mounting Assistive Technology Devices to Wheelchairs  
 Ablenet
  
- Dec 2021                      Implementation of AAC in Early Intervention and during Transition to School  
 Master Class  
 OccupationalTherapy.com / SpeechPathology.com
  
- Nov 2021                      Control of Assistive Technology through Power Wheelchairs  
 OCALICON
  
- Nov 2021                      Dynamic Seating: providing movement for clinical benefit  
 Linds Rehab, Australia
  
- Oct 2021                      Muscle Tone: Definitions, Etiology, Pathophysiology and Related Diagnoses 10/7  
 Muscle Tone and Movement Disorders: Challenges with Wheelchair Seating  
 10/14  
 Dynamic Seating Interventions for Tone and Movement 10/20  
 Webinar series. LC Seating training event, Ireland
  
- Sept 2021                      Expanding Independent Mobility through Smart Technologies  
 With Jean Minkel  
 RESNA
  
- Aug 2021                      Power Wheelchairs  
 OccupationalTherapy.com
  
- Aug 2021                      Mounting Assistive Technology Devices to Wheelchairs  
 Numotion / Rehadapt
  
- July 2021                      Manual Wheelchairs  
 OccupationalTherapy.com
  
- June 2021                      The Mat Assessment  
 OTECA, Spain
  
- May 2021                      Supporting Respiratory Equipment on Wheelchair Bases
