

Cambridge Joint Playscheme

Cambridge Joint Playscheme (CJP) currently runs Saturday clubs and Easter and Summer Holiday based Playschemes for children and young people, with moderate to severe learning disabilities aged 8-19 years.

CJP plan activities, in consultation with parents and the children with the aim to build on their interests, encourage social interaction, independence from their families, develop communication skills, promote self-esteem and confidence, and provide much needed respite for parents. These undoubtedly support these incredible young people into adult life.

Cambridge, Stapleford CB22 5BQ

Registered Charity Number 1045987

How can you support CJP?

Come along to our 21st Birthday celebrations and meet our staff and young people. Consider helping us through a donation or as a volunteer. We rely solely on fundraising opportunities, donations and sponsorship from companies to provide our services. We receive no local authority funding even though these young people and their parents are desperately in need of these kinds of Playschemes and respite. There are very few opportunities for children such as ours within Cambridgeshire but the feedback we received from both parents and children makes it clear how much our services are valued.

Donate with Virgin money giving.
