

# FOREVER

*Another year has gone by still I'm mystified  
We are here side by side forever  
We've had our share of ups and downs  
Yet here we stand on higher ground  
Loving you loving life  
Forever*

*And after all that we've come through  
I want to end my days with you  
I thank the lord each day for the gift he gave  
When you came into my life forever*

*You bring me joy you ease my pain  
You know for you I'd do the same  
All we are all we share  
Forever*

*And after all that we've come through  
I want to end my days with you  
I thank the lord each day for the gift he gave  
When you came into my life forever forever*

*And after all that we've come through  
I want to end my days with you  
I thank the lord each day for the gift you gave  
When you came into my life forever*

*And I I'll love you  
Forever*

*I love your smile  
It leads the way  
It helps me through my day  
You cheer me on  
And bring me home  
We share a love a love forevermore  
Forevermore*
