Sunday Evening Bible Study

Upcoming Bible Study starting February 6-March 20, Sundays at 5pm in the sanctuary, titled **“How to Read the Bible for All Its Worth”**. What is the right way to read the Bible? What are the guidelines that believers should follow in interpreting Scripture properly? What criteria should we use in evaluating a sermon? **Dr. Jeffrey Weima, Professor at Calvin Theological Seminary** in Grand Rapids, Michigan and leading biblical scholar, answers these questions in an interesting, informative and even entertaining way. His Powerpoint presentations make ample use of pictures and other images so that hearers clearly grasp the five foundational guidelines that Christians should follow when interpreting the Bible correctly. Join us on Sunday evenings for seven weeks in February and March as we together reflect on “Reading the Bible for All Its Worth.” This series may well change the way you read and understand God's word!
