Col 1:15–20

Lk 10:25–37

Dear Padre,

Why so many collections during Mass?

For many, besides a boring homily, the collection is the most unpleasant part of the Mass. Some grudgingly drop small bills, while others believe contributing a twenty is reasonable. A second collection may elicit silent groans—unless it's for a recent calamity.

Since the early Church, a collection has been part of the liturgy. It was intended to support needy members (including widows and orphans) and the clergy. The collection was an expression of fellowship or communion.

This communion had several dimensions: communion of faith, communion of heart and mind (unity and friendship among members), communion of the table (the Eucharist), and communion of goods.

"The community of believers was of one heart and mind, and no one claimed that any of his possessions was his own, but they had everything in common," writes Luke in Acts 4:32. "There was no needy person among them, for those who owned property or houses would sell them, bring the proceeds of the sale, and put them at the feet of the apostles, and they were distributed to each according to need" (Acts 4:34–35).

Even today, at Mass we celebrate our communion of faith, heart, and mind. The Eucharist is the sacrament of communion between Christ and the community. Likewise, a communion of goods is concretely expressed during the collection.

This is what the Eucharist is about—not just sharing bread and wine, but sharing resources and gifts which ultimately are blessings from God.

A Word from Pope Francis

Today gratuitousness is often not part of daily life where everything is bought and sold. Everything is calculated and measured. Almsgiving helps us to experience giving freely, which leads to freedom from the obsession of possessing, from the fear of losing what we have.

ST. VINCENT DE PAUL SOCIETY **YOU ARE OUR ENABLERS**

How are you our ENABLERS? By providing our parish Vincentian Conference with the funds, the help, and many contributions of goods and support, you are enabling us to do our work with the poor and disadvantaged of our community, the Diocese, and other places in the country and world where too many suffer from overwhelming disasters or needs of the basics of life.

Specifically, we wish to share with you the financial condition of our Conference's work in this parish alone with the many who come to us with needs for shelter, food, clothing, household goods, utility bills, transportation, jobs and health care. A look at our work through a financial overview of the funds coming in and going back out to the poor might help explain our work.

FINANCIAL REPORT for the FIRST TWO QUARTERS of the SVDP PROGRAM FISCAL YEAR 2019: October 2018-March 2019 Uses of Cash Donations by Month

Fiscal Month	Deposits	Disbursements	Balance +/-
October 2018	1,264.29	3,546.55	-(2,282.26)
November 2018	6,658.31	3,687.74	2,970.57
December 2018	2,049.34	1,869.70	179.64
January 2019	2,838.38	694.06	2,144.32
February 2019	1,949.41	1,204.82	744.59
March 2019	2,725.38	2,147.78	577.60
TOTALS:	17,485.11	13,150.65	4,334.46

That is a small snapshot of the first half of our Fiscal Year 2019 program. Our parishioners and donors *enable* this by your contributions, your tremendous response to our clothing and household goods donations, your *Anyway's* dining receipts and through your positive help and voluntary activities that support our work with the poor and the disadvantaged. We are fortunate to maintain a positive balance every month and are normally prepared to meet most requests for help to others.

We thank everyone who has helped us help others and enabled us to meet the needs of many others.
