WELCOME

Welcome to our 2024 Product Guide. You will notice a few new collections and also collections that have been best sellers for the last few years. We work hard to build good quality chairs at reasonable prices and also be good stewards of the local forest. The trees that are used for our products are sustainability harvested and taken to the mill where the trees are cut into lumber and kiln dried. After kiln drying the lumber is then milled and glued to panels that are used to build chairs and tables that will be finished to your color of choice.

We are located in the rolling hills of Holmes County, Ohio. If you are in the area please stop in for a visit and we will give you a tour through our shop. Our woodworking shop is located at 4569 Township Road 366, Millersburg, Ohio 44654.
