

THE STOPPER

FEATURES:

1. Manufactured as a soft-cell polymer construction.
2. Anti-microbial
3. Functional
4. Superior Non-Skid
5. Breathable
6. Extends the life of your rug.
7. Washable/Reversible

BENEFITS:

1. Non-PVC will not stain, discolor, or mar your floor. **RECYCLABLE. Non-Toxic and Non-Allergenic.**
2. Prevents mold, mildew and odor causing bacterial growth.
3. For use over all hard surface floors including ceramic, marble, and Terra-Cotta tile.
4. Holds rugs firmly in place with 100% surface contact with rug and floor.
5. Allows air flow for easier vacuuming.
6. Protects the rug backing from hard or abrasive floors.
7. Can be washed with a mild detergent, rinsed and laid flat to air-dry.

**THE FINEST NON-SKID RUG PAD
ANYWHERE...PERIOD!**

The STOPPER! Non-Slip rug pad offers a **"LIFE OF THE RUG"** Warranty. Should this product fail to maintain its exceptional non-slip properties we will replace it absolutely free. This warranty applies to the original purchaser only and proof-of-purchase is required.
