1/19. The election of a chair did not take place. It was decided and agreed that an Events Committee is not required and a Working Party was established. All agreed.

Notes were taken as follows:

The Pavilions will not be open until September so the thoughts of a combined event with the Management would not occur this summer.

A Tea Dance was discussed as a possibility for a future event at the Pavilions. A Christmas Party also.

Discussions on the opening of the Pavilions took place here.

Cllr. Sultana spoke here on an event called the Big Lunch, where communities meet up. Action for Babbs Mill are looking into organising a picnic lunch event. He hopes the KPC can support this event.

Cllr. Hinsley has a pack from the Eden Project downloaded which can be forwarded to anyone that requires it.

Cllr. John Kimberley commented on the events the parish council will be organising and the events in partnership with other communities. John continued then to speak on the finance and mentioned the money that the late Pauline Cooper-Hinsley had organised for the Tea Dance and Childrens Christmas Disco.

Cllr. Daly spoke here on the Bench for Former Cllr Mulready and her opinion on the fact nothing gets sorted out with the council.

Money for the events raised by Pauline is £1400.

It was decided that the working party of the events would meet up at 5.45pm on the 11th July

Working Party finished their discussions at 6.25pm
