

**The Secret of being Satisfied Saints
Phil 4:10-13**

The purpose of this verse is not to say you can get anything you want, it is telling us we have everything we need in Christ.

Contentment is not determined by outside circumstances but by determined by inside realities.

Contentment does not come from independence from Christ but from total dependence on Christ.

Jesus is the source of joy.

Jesus is the source of peace.

Jesus is the source of gentleness.

Jesus is the source of strength.

Jesus is the source of supreme love.

Jesus is the one who has all authority.

To get contentment you must believe that Jesus is better than anything this world has to offer.
