

We have worked to reduce budgeted costs wherever possible due to the elimination of Camp Lassiter, our primary fundraiser for this year. We do expect to have supplemental fundraisers to help offset costs and supplement reductions currently included in our budget, however, due to the uncertainty of these times, the costs included below do not reflect any fundraising. These costs do not include clothing costs for required or voluntary items purchased for the season. For returning cheerleaders, our required items are the same as the prior year and can be used again as long as they are in good condition. We expect the booster club fees for the upcoming 2020-2021 school year to be as follows:

Football/ Basketball	\$775
Basketball only	\$400
Football/ Competition	\$1,450
Competition only	\$1,000
Additional senior costs (senior only activities, senior gifts, individual banner, senior video)	\$175 Football/Basketball or Football/ Comp squad \$75 Basketball only or Comp only
Junior costs (megaphone) Please Note: Design cost for megaphones are separate	\$35
