Her Voice Studio singers have been accepted to: Indiana University, Manhattan School of Music, New England Conservatory, Florida State, SF Conservatory, USC, Oberlin, Eastman School of Music, Harvard, Rice and Carnegie Melon.

A quote from Edie:

"I am passionate about the artistry of singing. I have sung professionally on the operatic stage for over 15 years upon earning my Bachelor and Masters Degrees at USC in Vocal Performance. While I believe classical technique is the foundation upon which all other styles must derive, I am a student of the many different genres of singing and know there is a healthy way to branch out to each and every, wonderfully unique, one. We all have something to say, a story to tell. I want to be the person that gives people their Voice."
