Monthly Recap:

In February we spent time making Valentine's day crafts, Kindness Day posters for our teachers and elders, and doing different challenges with Domino's, Lego's, and cups. In academic enrichment, we learned about being determined and what it means to show leadership and ways we can practice.

Things to know for March:

During the month of March, we will learn about Dr. Seuss, St. Patrick's Day, spring, and life cycles! We have many fun projects and activities planned. We will even talk about the Farm-to-Table movement!
