

TuitionFlex Program – A tuition financing option provided by Claudy’s Vocational Institute

Claudys Vocational Institute is pleased to offer its unique credit based tuition financing program using the Education Loan Source, Inc. TuitionFlex platform that allows you to spread payments over a pre-set period as opposed to paying the full amount up-front. The School is providing this optional program to you to help make your training goals more affordable. A low fixed interest rate applies and the application process is completed 100% online using e-signature

This plan is for students who want to make lower monthly payments over a longer period. With fixed interest rates, payments continue for up to a 60-month period. Your monthly payment amount depends upon the borrowed amount and your fixed interest rate. The credit criteria is flexible and allows you to apply with a co-signer for better terms.
