Vision Statement

The Payette Forest Coalition Land Allocation Committee will review and recommend improvements to current forest designations and their boundaries in an effort to preserve and enhance recreational opportunities, economic stability, resource protection, and respect for all users.

Welcome

Please make a name plaque and use the sign in sheet

Any new introductions? Any updates to contact information

Anything to add to the agenda?

Are there any announcements for the group?

Updates

- Any updates from the group? Items of Interest?

Tonight's Work - Focus on French Creek

Review current proposals(2) put forth to the group

- Sandra Mitchell and ICL
- Work in small groups and move through options
- Use maps

NOTE: The PFC and LAC do not currently have the technology to allow those joining online to fully participate as if they were in the room. If you are joining the meeting online, we can not guarantee you the same experience as those who are in attendance.

GOAL: Draft a proposal that can be supported by the LAC for recommendation to the PFC.

Next Meeting - November TBD
