August Recap

We have had a blast this past month here at LEAP! This past month, both the children and group leaders have been focusing on setting our rules and expectations. We have made so many new friends, already! We have high hopes for this school year. The children have been doing many STEM activities as well as arts & crafts; they have also been reading new books in Academic Enrichment. Our group leaders are able to see within their own group how the kids are growing and changing every day. They love new challenges!

- Upcoming News -

- During the month of September, we are going to be learning about Labor Day, CURE Childhood Cancer and Honey Bees through our lesson plans. Students will be doing activities in arts & crafts, STEM, and Academic Enrichment that teach them about each of our themes.
- Interlaced in our lesson plans are our 'Character Seeds' Each week the students will learn about the character seed, what it means and how to include it in their day-to-day lives. Some of the character seeds that we will cover throughout the year are Kindness, Generosity, Respect and Teamwork
- We are currently accepting *DONATIONS* of the following items for upcoming projects: empty water bottles, cereal/coke cardboard boxes, 2-liter bottles, etc.

-STAR- -STUDENTS-

Ivy Krawczeski

Lane Chester

Isabelle Oldham

Knox Hales

Sophia Bonifacio

Star students are picked based on their daily behavior. These students exemplify extraordinary behavior every day. They always have a smile on their face when they come into LEAP. They are constantly a great example for their group to follow. They are always willing to help when needed !

●Parent Reminders●

~ Kangarootime Accounts need to have a picture of you! This is a feature that we use as a security measure!

~ You can turn on Auto Payments so that you never have a late fee charge!

~There's a messaging feature on the Kangarootime Parent app! On the bottom of your screen, tap the little envelope, then tap the purple plus sign!
