## Your Pastor's Thoughts

Who has had the most influence in your life? Is your life completely different because of that person? Are you thankful for that person? What if you became the biggest influence in someone else's life? Imagine that you shared your faith in Jesus Christ with one person and they accepted Jesus as their savior. You would have been influential in where they would spend eternity. You would have given them the ultimate solution for all of life's problems. You would have given them a true purpose for their life. You would have been part of them being set on a course of overcoming harmful sin in their lives through the power of the Holy Spirit working in them. Who is the one that you will share with? Will you pray for them regularly? Will you show them God's love? As individuals in the church let's strive to take the gospel to "one!" Striving for His Glory together, Pastor Pete

I am honored to have received the position as the Minister to Students and Families. Currently, I am organizing our Bible studies in a way that not only teaches the youth lessons from the Bible, but also teaches them how to study the Bible for themselves and become true disciples. I believe that it is extremely important to build a foundation in these youth that will carry them through life with the knowledge, strength, and faith to persevere even as they leave the classroom and enter into the real world which is our mission field. Thank you for this opportunity and please be in continued prayer for our youth! Jess Motes
