Proverbs 16:9 The heart of man plans his way, but the LORD establishes his steps. (ESV)

We probably all had our Spring plans in our heads and calendars but God had a different plan for all of us. It is incredible to see the way that He is working through His plan in ways that we would have never imagined. As we were handing out food at a nearby housing development recently, I told someone what church we were from and they said that they were enjoying our Sunday morning drive-in service from their house! Not only that but we have seen plenty of visitors drive up to our service and many views online that we would have never had. What this means is that God is good and is spreading the gospel in the midst of Coronavirus!

What you can expect in June:

For the month of June we will keep the same Sunday morning schedule. We will have drive-in service at 9 a.m. weather permitting. At 10:30 a.m. we will have service in the building while practicing social distancing. That service will also be broadcast on Facebook live for others to watch at home then or later in the week. (We are working on a plan in order to incorporate the children's ministry back into Sunday mornings for those with small children). We are also considering what type of alternative activities we can do on Wednesday nights and will keep you posted.

Please be safe, follow your conscience on when to gather in public, and do not let fear be your guide.

In Christ, Pastor Pete

From Jess Motes, Youth Leader

Due to Covid-19 there has been a lot that has been canceled and a lot of abnormality, but thankfully, not everything has changed and been canceled. Every Wednesday night for the last couple of weeks, the youth have been able to meet through a video call with a program called Zoom and through this they have been able to stay connected, pray with and for each other, and study God's Word together which has been a huge blessing. On top of this, the Ormond Beach Retreat Summer Camp that the youth had planned on going to June 22-26 has not yet been canceled. The leaders of this camp have made extensive plans to ensure that everyone will be safe by taking as many precautions as possible such as social distancing, face masks, gloves, etc. They will make the final decision as to whether or not this camp will be held by June 8th. Unfortunately, due to Covid-19 the youth group was unable to carry through with many of the fundraisers that they had planned. With this being said, two things would be much appreciated by the youth group. First, please pray that this trip will go on, if it be God's will, because I believe that this conference could be beneficial both mentally and spiritually for these youth and maybe even bring back some sense of normalcy. Second, if you had intended to support the youth financially for this trip then please consider still doing so. While there was enough money in the youth account, from previous years, to pay for everyone's trip this year, they were hoping to restock this fund for future trips and events. The hope is that once things begin to normalize, we will get to do more fundraisers to replenish the money spent, but, until then, anything and everything helps. Thank you in advance! .
