

## Online Policy

---

We as members of Liberia Build Project welcome you to be a part of our organization and would like to take this opportunity to get to know you. We welcome everyone whose interested in our organization to be part of our dream team in helping people in our community in need both national and International

### **Highlights**

- Work with major donor organization to promote awareness and accountability in disbursement of funds
- Create a searchable directory for our Citizens and the Community at large
- Establish employment, education, and training opportunities as a nonprofit organization

### **OUR MISSION**

Our mission is to provide services and be an advocate and a resource for people in need, focusing on our Senior and Immigrant Community.

### **CHARITY CHANNEL**

All donations to our organization are processed through the proper channel and verified through our legal office. This process is to establish accountability and transparency for our members, and donors at large.

### **EXECUTION**

The Executive Director performs the day to day functions of our organization and is governed by the Board of Directors. Both bodies work together to achieve the common interest of the organization.

### **INSTITUTION FOR GLOBAL COMMUNICATION**

Our online policy is to communicate to all individuals in order to reach every one whose interested in our organization to help make the world a better place to live for the Citizen of Liberia, other African Communities and the wilder community in the USA. LBP welcomes everyone on board who have interest in the Country, Liberia and encourage individual to play active part in this process either as volunteer, consultant, trainer, or donor.

Thanks to those who are already supporting us in our quest to makeLiberia a better place. We the members and officers of LBP adhere to the code of conduct of this organization, value cultural differences and enforce respect for the rule of law. Liberia Build Project was established to help our people here and abroad. We welcome help from other nonprofit organizations, National Government and any N G O. S.
