

Hello Parents!

Fall is here and there are so many things to enjoy as we head into a new season! Fun Family gatherings, yummy smores with bonfires, cheering on your favorite football team, and getting cozy on the couch with a good book. The only thing missing is some good smelling candles 😊 I will be selling candles from a "Cheerful Giver" right here at Trinity Learning Center for our annual fall fundraiser. There are some AMAZING new scents so check them out. Every bit of your support helps tremendously so please share this brochure with your friends, family, coworkers, or neighbors. For every 4 candles purchased, your name enters a drawing to win a free candle of choice. All you have to do is fill out the order form with your family's name and payment. Payments can be made by credit card, cash, or check made out to TLC. All orders can be given to Miss Ede by October 20th and they will be delivered in about 2 weeks.

Thank you in advance for your continuing support. As you see, we have painted the walls, got new flooring, and are continuing to upgrade our school building with all your faithful giving. We love all of you and your precious kids and are grateful for all your kindred spirited friendships.

Happy Candle Shopping,

Miss Ede
