BIG BEAR CALIFORNIA

Juice performed at an event known as the Big Bear Gala. This event is a huge auction party that is held annually and all the proceeds benefit the Big Bear Discovery Center. Big Bear is a mountain town located in the San Bernardino Mountains in California. The auction included items such as Los Angeles Dodger tickets and an adorable puppy. Juice and the band came on stage when the auction was over. The pine trees and star lit sky served as the backdrop for the stage which only enhanced Juice's performance.

The crowd loved Juice! After the show, Juice signed autographs and took pictures with her fans including yours truly. I met a lot of really nice people at this event. Two of the people that I distinctly remember were on the shuttle back to the parking lot. One lady was holding the puppy she won at the auction. It turns out she is Tom Goodspeed's cousin. Tom as many of you know is Juice's husband. It was a lovely evening filled with wonderful people and music!!

There are pictures of this event at the JNFC website. Also, there is video clip of Juice singing "American Girl"! Check it out!!!!

DVD/CD

Many members have written in asking about a single being released from “Every Road Leads Back To You.” Keep in mind there is a lot of careful planning that is put into place and this is a slow process. You can be sure as soon as I receive news on this, I will post it to the website.

NEW CONTEST

Last spring we had a contest and the prize was the new CD/DVD. Here is the prize for this contest. It’s a personalized autographed copy by Juice of the DVD “Every Road Leads Back To You.” Imagine having a personalized autographed copy of this great performance by Juice!! If you have won anything from the JNFC in the past year you are not eligible for this contest. The winner’s name will be posted on the JNFC website! All entries must be received by 9/30/02.

CONTEST RULES

Juice has had many awards and recognition for her accomplishments. List as many of these items as you can and email them to me at Juicefans@aol.com and I will place your name in a database. The first entry that has all the correct awards listed will win the DVD!

SAN DIEGO STORES

The summer newsletter had mentioned that I would be at various store locations to facilitate in store promotions throughout San Diego for the “Every Road Leads Back To You” CD/DVD. Unfortunately, do to circumstances beyond my control this was unable to happen. Your emails of support for this project were very much appreciated.

Let Us Reflect

The year was 1991 and the wonderful news of Juice’s Greatest Hits album going gold warmed “Juice fans” hearts! An album must sell 500,000 copies to go gold. This was also the same year the United States was at war with Iraq during the Gulf War. Otha Young’s wife Brenda wrote a poem called “Keepers of The Peace.” Otha wrote music for this poem. Please, read the lyrics to this below.

Verse

“May the spirit of pride burn in every heart. May we live side by side and not be torn apart. May we celebrate the difference between race and creed. Free to express what we believe. Willing to right what we know is wrong. That’s what makes our country strong.

CHORUS

Let us live to keep everybody free. The way we live, it's up to you, it's up to me.
All these troubles and conflicts will someday cease, if we can all be keepers of the peace.

Verse

Some take freedom for granted while others work to give life to liberty that we so proudly live.
To Guardians of the air, the land and the seas, we thank you, salute you, The Keepers of The
Peace. Willing to right what we know is wrong. That's what makes our country strong.

CHORUS

Let us live to keep everybody free. The way we live, it's up to you, it's up to me.
All these troubles and conflicts will someday cease, if we can all be keepers of the peace.”

What a powerful story this song conveys! This song also fits very well with what is happening
today.

QUESTION FOR FAN CLUB MEMBERS

I have been pondering the idea of having official JNFC merchandise. Such items would include
a coffee mug with the JNFC's logo on the side and even tee shirts with the logo on the front and
the web address on the back. **Would Fan Club Members be interested in purchasing such
items? Please, email me and let me know.**

HEAVY TOURING

Juice has been very busy touring this summer. Some of you have written in to the Fan Club
describing what a wonderful time you had attending the shows. Please, keep writing! New Fan
Club Member Jason Mikesell was kind of enough to send a nice picture of Juice! You may find
this picture at our site www.juicewtonfanclub.com and click on the tab called JUICE IN
CONCERT. Jason took this picture of Juice at the Iowa State Fair.
