Dr. Fenton Richards

Help me give a warm welcome to our newest board member, Dr. Fenton Richards. We're asking Dr. Richards to bring his knowledge and Christian experience to our table as we prepare to do greater work in foreign countries..

Dr. Richards has made 13 trips to Kenya East Africa. By God's grace he was instrumental in the establishment and growth of several churches and ministered as well as gave spiritual counsel to many pastors and other church leaders. Those Pastors have given birth to other churches, Christian schools and other ministries. Give God all the praise!

He also did some work in Zambia and a few Caribbean Islands. He has been a Pastor two churches. One here in Decatur GA and the other in Bermuda. He was engaged in preaching, teaching, administration and witnessed the growth of those churches, spiritually and numerically over the years. The Youth Conferences attracted many from Washington DC, New York, Valdosta, Savannah as well as Virginia and Detroit. The Church's Mission Conferences were also well attended and hosted missionaries from South Africa as well as Zambia and Kenya.

Dr. Richards holds a Doctorate in Counseling Psychology and presently gives most of his time to teaching, counseling - especially grief counseling and evangelism at a local Baptist Church.

However he spends quality time with his lovely wife (Velma) and their family.
