Special Concert Date

September 29 ,2016 At the HUB International Theatre at the Chilliwack Cultural Centre, Juice will be performing for the Veterans Service Officer & Chilliwack Army, Navy, & Airforce Veterans Club Sappers Unit #305. Juice's has family who is serving or has served in the military, this includes her father.

Mr. Ernie Hussack contacted the JNFC about this show and he is now a member of the JNFC. Here in his words is what he wanted to accomplish.

"Can you please add myself and this Military Veterans Club to the JNFC. For her concert date, 29 Sept 2016, in Chilliwack, British Columbia, Canada, at the Chilliwack Cultural Center, we are starting a new Karaoke Dance Club event on 01 Sept 2016 and will be purchasing some tickets for her performance on that night and will be giving them away as prizes for our first event of the Fall/Winter Calendar. Proceeds will be donated to an organization called "VETS Canada" based in Halifax, Nova Scotia, which operates on donations to provide a service from East to West across Canada for military Veterans, who meet the terms of needy, homeless, or suffering PYSO or any other life changing disabilities, while serving in the Canadian Armed Forces, either in Canada or abroad, and regardless of age, as long as they have served in the Canadian Military with Regular or Reserved Forces.

On a side note, I thought I should mention that I am a volunteer for an organization, VETS Canada, based out of Halifax, Nova Scotia, on the east coast of Canada, that deals primarily with assisting Military Veterans that are homeless and needy as well as those suffering the effects of PTSD from many causes, most having been deployed in Afghanistan or Bosnia, and were injured from the blast of road side explosive devices. I am a VETS Canada - Team Leader in the Vancouver Down Town East Side area and deal often with homeless Veterans, living in the city-parks or short term in the Outreach Shelters of the Salvation Army on the East Hastings part of Vancouver, BC.

Our organization, Vets Canada, has developed a program for dealing effectively with veterans in the Rehab Programs for PTSD and it has been proven that playing a guitar is a very effective tool. Our guitars are all obtained by donation and I have received an electric base and 6 string guitar, 2 acoustic guitars, and am giving my own personal collection of a Fender 12 string acoustic and a 6 string Fender Classic guitar, and I am confident that as soon word spreads, I will receive several more.

Our community is very musical and talented and having been a Army Training Base for 50 years before it was closed and moved, are very military orientated citizens. As a gesture to a few fortunate veterans who will receive these guitars, I thought it would be very appropriate and motivating to the Veterans in Rehab to either learn to play or play a guitar autographed by Juice Newton, perhaps if she was able to attend our Veterans Club after her concert, 29 Sept 2016. While I understand she will be very exhausted after an evening of performing, I would not delay her departure from the Club with trivial chat, just a strictly come in and sign the few guitars and depart. I would consider bringing the guitars to the local Cultural Center where she is performing, but with my COPD and related respiratory issues, it would be difficult to manage carrying the guitars any distance.

We also accept musicians that wish to donate guitar lessons to these Veterans. and this evening, I met with a Vietnam Veteran, living in Chilliwack, as he was playing at a local club and he offered to donate his time for guitar lessons, as long as there was a reasonable need.

Also in my plans, I will be purchasing 4 tickets for the Juice Newton concert night, on the 29 Sept 2016, in the next few days and we will be selling 50/50 tickets at our in-house Karaoke Dance Party, which is on every Thursday evening from 830-1AM, starting on 01 Sept 2016. A draw for winning tickets to the concert will be held on 15 Sept 2016, with the funds being directed to the VETS Canada organization, to assist them with their efforts in helping those Military veterans in need.

If it is possible to arrange for Juice Newton, to autograph these few guitars, it would be greatly appreciated and I'm sure her following in Chilliwack and area would be very appreciative."

After the show, Juice and the band did autograph guitars for the "Guitars for Veterans" program. You may find out more about this wonderful cause at <https://www.facebook.com/Guitars4VetsCanada>. Here is what Ernie had to say after the concert.

"Greetings Paul,

Yes, for sure most definitely, please. I do consent to use my quotes from the email regarding the "Guitars for Veterans" program and I am grateful for Juice Newton & her band coming out after her show to sign the guitars which will go to the rehab of Vets suffering with PTSD and head injuries.

Thank you, again."

Yours truly,

Ernie Hussack
Veterans Service Officer

Ernie you are most welcome and on behalf of myself and all of the JNFC Thank you for your service!!

New Album Update

Juice is vigorously working on the new album! She has 6 songs currently selected for the album. We are in the home stretch to hear new music!
