Your Pastor's Thoughts

At some point in our lives we have probably all pretended that we were on some type of mission. The exciting thing is that as Christians we really are on mission. As a church we are on mission! God has given us our mission and all of the resources we need to succeed. As a church we have developed a new mission statement to help us stay on course. Our mission statement will help us to evaluate every move we make along the way to make sure that we remain focused. My hope is that we would all know our mission statement and regularly pray that God would help us to be faithful every step of the way. Over the next few months I will be sharing more about each element of the statement. For now, ponder each portion of this statement. Our mission is to be: Growing in our love for God, Showing God's love, and Sharing the message of Jesus. Will you be on mission with us?

In Christ, Pastor Pete
