Curriculum and Instruction:

Micah's Mission is a hybrid learning and resource center that will strive to meet all regulations expected by the state of Mississippi in order to assure an accepted homeschool diploma with the completion of 12th grade. Parents are expected to register their children with the truancy officer before school begins as a homeschooler. A <http://www.time4learning.com> will be the recommended resources for alignment of the College and Career Readiness Standards and online portfolio to demonstrate progress and mastery. In addition, an achievement test will be decided upon to indicate progress and testing skills to end the year.

Application process is to ensure Micah's Mission School, Inc. will be the criteria in which each family is looking for in order to see growth with their children. A personal laptop is a requirement for online hybrid homeschoolers.
