Learning Express Expands Into Fourth Location In The Raleigh-Durham Area

Last year, Spectra constructed another store for Learning Express in the Research Triangle, the fourth location for Owner William Meredith. Learning Express, known as "The Neighborhood Toy Store," is the nation's leading franchisor of educational toys. This newest location, in the Falls Pointe Shopping Center on Falls of Neuse Road in Raleigh, offers quality toys for babies through big kids, outstanding customer service, free gift wrapping, and special classes, such as Rainbow Loom instruction.

Learning Express has new and different toys that cannot always be found at other retailers. Among the items they sell are the original Rainbow Loom, Boo by Ty, Slackline, and Water BaZooka, a device that attaches to a water bottle, turning it into a high-powered water rifle.

ClinPharm Expands Their Office Space

Spectra oversees interior fit-up

Last November, American Real Estate Partners hired Spectra to oversee a fit-up in one of their buildings for ClinPharm Consulting, also known as Nuventra Pharma Sciences. The project consisted of demolition of the space beside their existing office, upfitting it to their specifications, then renovating the existing office area.

ClinPharm Consulting specializes in clinical pharmacology, pharmacokinetics and pharmacometrics, helping their clients, who are pharmaceutical companies, to make better informed decisions in drug development. For more information on ClinPharm, visit their website at www.clinpharmconsulting.com.
