DISCIPLINE POLICY

Our goal is to correct a child with love and as much positive reinforcement as we can. Positive discipline teaches children where limits are set, how to maintain control of their bodies and how to problem-solve in the event of a conflict. We encourage children to empathize with one another's feelings and see the results of their actions. Discipline will never be related to food, rest, or toileting.

Our policy

1. Verbal redirection and reminder for the first offense. The teacher will get down at their eye level and talk with them in a loving but firm manner..
 2. Repeated offense – Time out for the age of the child.
 3. Visit to Office. The Director will talk with the child and explain why they are in the office and what they should or should not be doing.
 4. Note to parent.
 5. Call to parent from the Office letting the parent know it is becoming an issue.
 6. Meeting with parent, teacher, and director.
 7. If the behavior can be harmful to the child or other children, repeated misbehavior can bring dismissal.

We do not spank or use any method of corporal punishment at ABC Learning Center.
