Family Urgent Care accepts all Walk-Ins and does not require any appointments. **If you are experiencing a life-threatening emergency, call 911 immediately.**
Your Hometown Health Experts

Family Urgent Care is equipped with an experienced staff that can help with your immediate, non-life threatening medical needs. When you can't see your doctor and don't want the hassle of an emergency room, we're here to evaluate and treat you in a timely manner. We'll save you the frustration of waiting for your primary physician by providing a convenient facility, quality care, and the expertise to treat your ailments and injuries.

We offer a variety of services from treating congestion to fixing up broken bones. We're a walk-in facility so no appointments are necessary.
