MILWAUKEE COUNTY

Behavioral Health Division

The Milwaukee County Behavioral Health Division is becoming a national best practice leader in providing behavioral health services. We provide a community-wide mental health system focused on caring for the needs of the whole person - connecting you to services that allow them to lead the best quality lives. We've established partnerships to help your loved ones get the powerful recovery tools they need to take charge of their health and wellness.

From **prevention** to **treatment** to **recovery**, we provide care and treatment to all ages with mental illness, substance abuse disorders and intellectual disabilities.

CRISIS SERVICES

We provide help to individuals experiencing a mental health crisis and make it a goal to prevent hospitalization as much as possible. We also offer stabilization services for those in need.

Crisis line (available 24/7): 414-257-7222

COMMUNITY ACCESS CLINIC

We offer a walk-in clinic for those without insurance who are in need of psychiatric assessment, medication evaluation, brief crisis counseling and/or referrals to appropriate outpatient clinics and community programs.

Access Clinic: 414-257-7665

INPATIENT SERVICES

We provide services to mentally ill adults, children and adolescents who need the support of a hospital environment. This is a short-term stabilization in a hospital environment where psychiatry, psychology, nursing, social service and rehabilitation services are provided.

COMMUNITY SERVICES

Through many community partnerships, we offer a full array of supportive, recovery-oriented services for persons with severe and persistent mental illness and/or issues with alcohol or other drug abuse.

Provides free legal services for eligible, low income individuals. Receiving Legal Action's services is determined by the specific civil legal problem, availability of lawyers, as well as financial eligibility. Legal Action typically takes the following types of cases: housing, public benefits, family law, health insurance, Social Security, license revocations and suspensions and inaccurate criminal background records and arrest records. Legal Action does NOT handle: criminal, class action, personal injury cases, court cases for prisoners or undocumented aliens. SeniorLAW, a program of Legal Action that serves Milwaukee County residents who are 60 and older, does not have income and asset limitations.

To manage high call volume, there are different phone numbers and call times for different types of legal problems. Please check the website for phone numbers and walk-in and phone intake times.

Milwaukee Bar Association Lawyer Referral & Information Service

(414) 274-6768

www.findmilwaukeeelawyers.org

The LRIS is a free over the phone referral service for anyone that has a legal question or is seeking to obtain legal counsel. Trained interviewers assess the caller's situation and determine the most appropriate way to proceed. After screening your call to determine what type of legal help you need, the MBA LRIS will refer you to a LRIS panel attorney, government agency or community resource, depending on the nature of the legal problem. You are NOT obligated to hire the attorney. However, if you do decide to hire the attorney you are subject to their upfront retainer and hourly rates so be certain to understand the legal fees before you proceed.

The Milwaukee Bar Association's Lawyer Referral and Information Service has no ability to provide free legal services or referrals to attorneys that provide free legal services.

Advocates assist victims of domestic violence with completing the paperwork necessary for petitioning the court for orders of protection; creating safety plans to help protect themselves and their children including an understanding of what to expect from law enforcement and court response; and accessing on-going services to meet their emergency needs. Advocates cannot give legal advice or provide legal representation, but they can provide information and support. If a lawyer is needed, an advocate can help get access to an attorney.

SCREENING CAN HELP CATCH MENTAL HEALTH PROBLEMS EARLY - B4STAGE4.

If you think you may be showing signs of a mental illness, take a screen at mhascreening.org.

A screening is not a diagnosis, but it can be a helpful tool for starting a conversation with your doctor or a loved one about your mental health.
