## LEAP at Sand Hill Recap

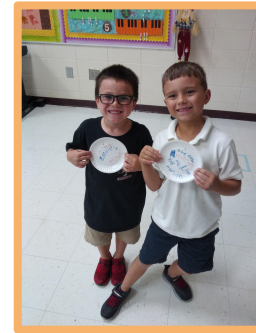

This past month we have had a blast here at LEAP! Our kiddos have been working hard this month with earning their Dojo points and doing some fun activities. They have made things from paper plate monsters, STEM projects, and worked on character seed of the week. Character seed of the week is something special our kids have been working on this past month. Kindness, trustworthiness, and responsibility were a big part of the month. The kids were able to learn about these three words and apply them inside and outside of LEAP. We also were able to celebrate our Fall Festival and do fun activities!

Have a Happy Thanksgiving!
