Pool Party

Do you love adventure?

...swinging on the monkey bars, splashing in the water, landing a keeper fish, playing sports, and devouring watermelon? If so, then Quentin Road's Summer Camp is just the place for you! Children ages 3 to 12 will hear inspiring stories, do amazing crafts, bake tasty treats, play games, and compete in cool contests. Children will visit the fishing pond, heated indoor swimming pool, indoor gymnasiums, playgrounds, indoor playland, computer lab, waterslide, sprinklers, rock climbing wall, inflatables, and even take a train ride on the QR Express! Summer is not complete without some gardening, field trips, obstacle courses, and archery. We are taking out the sunscreen, lawn chairs and lemonade and are rolling out the red carpet for another fun summer in the sunshine with YOU! Hope to see you real soon!

**Please leave cell phones
and electronic devices
at home.**

*We are much too
busy having fun
to need these
anyway!*

The classes will take turns in our heated, indoor pool. This will be a fun and well supervised time of play with their summer camp friends. Our lifeguards are all certified and will begin each pool party by teaching the children the pool safety rules.

Please bring a modest, one piece swim suit for girls or a two piece that does not show the midriff, loose fitting trunks with a lining for boys (no speedos), towel, comb or brush, and a bag for wet items.

Feel free to send your child with their own floatation device, or use ours.

Children are allowed to bring pool toys from home. The Lifeguard must approve all toys before they enter the water. (No squirt guns please.) Children are not allowed to enter the pool with any open wounds.

No Band-Aids are allowed in the pool.

No pool parties on June 26 and July 22-23.

Respect is taught not by scaring them into submission, which is often mistaken as respect, but actual respect. Respect for the knowledge and skill that the instructors can teach, for their friends that they spar with, and for the school that they attend. Self-discipline is taught by teaching children to wait their turn to make a comment or wait to talk to a friend, and to be able to listen attentively to someone who is teaching them.
