Abby Smith, Program Director

Zoie Jackson, Site Director

What a fun filled October we had! We enjoyed making all the fall and Halloween Arts and Crafts! In STEM we went outside and picked different leaves to color over with crayon to see the different patterns. For Academic Enrichment we learned about kindness, respectfulness, and trustworthiness. And the most fun of all.... our **FALL FESTIVAL**! We had a scarecrow competition, made spider webs, and enjoyed time in the gym playing a Halloween bean bag toss! We're looking forward to November and everything that's in store!
