"Train up a child in the way he should go"

2021

From the Directors Pen

An Investment in your child's future!

With so many uncertainties regarding schools opening and Covid-19, did you know that Valley Christian Academy, K-12 grade, has been open, in person, this entire school year? We have implemented special guidelines to keep teachers and students safe. We were awarded special permission to open because of our desire and carry through with these guidelines by the county of Santa Barbara. We have been meeting in class every day, all day long – 8:30am – 3:00pm - that includes **KINDERGARTEN!**

Classes are small with every student learning Bible, reading, phonics, spelling, Character training, math, history, science, computers and more! This is definitely an investment in your child's educational future.

Registration is due by March 19 – paper work and monies. Cash or check is required, payable to VCA for the amount of \$300.00. I will then receive a copy of your registration form and can then test your child for kindergarten. It is a developmental test, with some academics, to assure that your child is kindergarten ready. The testing fee is \$25.00. (This testing fee is different than what is stated on the VCA enrollment fee – their testing fees are for 1st grade – 12th grade and Talent Development.)

Tuition is \$481.00 per month, September, 2021 – June 2022. Books and computer fee to be determined.

VCA is accredited by the Accrediting Commission for Schools of the Western Association of Schools and Colleges.

To showcase our Kindergarten, we will host a Kindergarten Night on Thursday, March 11, 6:00pm, where you can see our current Kindergartners perform what they have learned so far this school year. Because we will have to limit attendance due to covid, no children are allowed and it will be a first come seating basis.

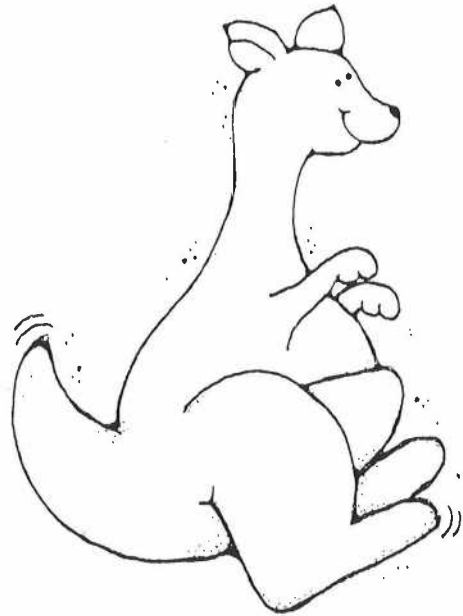

Please RSVP to your child's teacher or myself so we know how many people to accommodate. It will be held outside, under the alcoves, across the parking lot from the preschool, weather permitting.

In Christ's service, Barb Wilson, Director

Thursday, March 11 is
Kindergarten Night.

Parents of 5 year olds or soon to be 5 year olds (birthdays before September 1st) are welcome to attend to see what Valley Christian Academy Kindergarten is all about. It will begin at 6pm across the parking lot from the preschool. If you sign up for Kindergarten this night or no later than Friday, March 19th, you will receive a \$100.00 discount on your registration. The application and a check for \$300.00 is required.

Applications have been sent home.

Because we must limit seating due to covid, please no children are allowed and it will be a first come seating basis. Please wear a mask!

Welcome to
Kindergarten!
