SCA Summer Bridge Program

June 2021

Prayer of Gratitude
For Our SCA Parents

DEAR GOD,
THANK YOU FOR EACH AND EVERY ONE OF
THOSE PRECIOUS LITTLE BLESSINGS. WE
LIFT UP PARENTS RIGHT NOW. THANK YOU
FOR THEIR COURAGE AND BRAVERY IN
RAISING CHILDREN AND THE SACRIFICES
THEY MAKE ON A DAILY BASIS. MAY YOUR
GRACE GIVE THEM POWER AND ENABLE
THEM TO BE STRONG PARENTS WHO TEACH
CHILDREN YOUR WAYS. GIVE THEM WISDOM
AND HELP THEM TO LEAD A LEGACY OF
CHRISTIANS. MAY YOU RELIEVE ANY
STRESS THAT COMES WITH PARENTING.

IN JESUS NAME AMEN!

ST. CATHERINE
of Alexandria School

Thank You SCA Families!!!

- As a <u>thank you our wonderful families</u> for supporting St. Catherine's School this year, we would like to offer a Math and ELA summer program for our TK-8th grade students.

- This is approximately a $25,000 enrichment program, but is **FREE** for our current SCA families.

- THANK YOU FOR ALL YOUR SUPPORT!!!

What is the SCA Summer Bridge Program?

- It is a two week enrichment program designed to meet the individual learning needs of students in English Language Arts and Mathematics for TK-8th grade.

- Lessons will be differentiated to "Bridge the Gap" and target student and class identified goal areas.

Are There Safety Protocols In Place?

SCA School Reopening Plan

- Students stay with their grade level class and do not mix with other classes (ex 3rd grade stays in the third grade classroom)

- <u>Current school safety protocols are still in place:</u>
  - break and recess only with current class.
  - student school drop off and pick up procedures stay the same.

- All protocols and procedures stay the same from SCA School Reopening Plan.

- Mask is required at this time, but SCA uniform is NOT required for summer school.

How Does the Program Work?

- Students first take an IXL diagnostic assessment for Math and ELA.

- Individual and grade level goals are identified from the student assessment data.

- Summer school teachers create targeted lessons around identified student and class goal areas.

IXL Diagnostic Assessment

Take action with a personalized plan for each learner

Using insights from the Real-Time Diagnostic, IXL creates a personalized action plan for each student. With these recommended skills, you have a simple way to differentiate instruction, fill individual knowledge gaps, and facilitate meaningful progress.

Teachers Create Targeted Summer School Lessons in Math and English/ Language Arts

What Are the Program Dates and Details?

- SCA Summer Bridge Program is a two week session from **June 14 to June 25th.**

- Students are broken up into two learning sessions. TK-3rd grade in the morning and 4th-8th in the afternoon.

- IXL program subscription will be purchased for all SCA students to practice ELA and Math skills lessons over the summer.

SCA Summer Bridge Schedule

TK-3rd Grade Schedule
8:00-8:15   Drive Through Drop Off
8:15-9:25   **Math**
