### Showcase 2022

Performance experience is essential for a well-rounded dancer. Our annual Showcase in June presents the student with the excitement of a live stage performance and the opportunity for recognition for all their hard work. **Great Gig Dance Co.'s Showcase 2022 will be June 6-11, 2021 at Kennesaw Mountain High School.** Each family will purchase tickets to the event. Each dancer will be charged a \$40 Media Fee to cover professional filming and photography for all shows by Lamplight Media Works. Dancers will have access to download HD videos and high-quality photos from all performances. All downloads are included in this fee. Videos and photos will be ready within 2 weeks following the showcase and will remain available for 1 year.

## Costume

Each student must purchase the costume and accessories required for the recital. A \$60 costume deposit is due on or before November 1. Costumes will be ordered in December, and usually cost between \$75 and \$95. The balance of the costume payment will be due in February. Costume deposits and fees are NOT refundable. Costumes will be distributed in early March. Professional dance portraits will be taken in the Spring.

## Attendance

Promptness and regular attendance are important in each student's progress. Attendance is especially critical as dancers are learning their performance routines for the annual showcase. Excessive absences can result in the dancer not being prepared for the performance, and can also adversely affect the entire class.

## Make-up Classes

Classes missed due to illness may be made up. Please inquire at the front counter for an appropriate day and time to make up classes. No refunds will be given for unattended classes.

## Virtual Classes

If we are mandated to close our physical location due to any government order, classes will immediately convert to virtual classes and instruction will continue. We have had great success with all ages in our virtual classes and are confident we can continue to engage our dancers should the need arise.

## Withdrawing from Class

Written notice of intent to withdraw from a class must be submitted to our office in writing or via email 2 weeks prior to the date of withdrawal. If you decide to re-enroll you will need to pay another registration fee. This withdrawal policy remains in effect even if we have a shelter in place mandate from federal, state or local government. In the event of a shelter in place, classes will convert to virtual classes and instruction will continue. There may be an approximate one-week transition period from the date of the shelter in place order until virtual classes begin in order to allow us to implement our action plan. This brief time period, if needed, will be treated as inclement weather days, meaning your dancer can choose a convenient make-up class from an appropriate class on our schedule. No refunds will be given for this week. Please call or email to sign up for your make-up class. Remember that a 30-day written notice will still be required for withdrawal.

## **great gig DANCE co. – STYLES OF DANCE OFFERED**

*Each student, regardless of age or experience, is taught at a serious level, the terminology of dance, technique, and a basic understanding of body involvement. Combination classes are offered for beginner and intermediate students. For advanced students a range of classes in Ballet, Jazz, Tap, Hip-Hop, and Contemporary dance are offered. Dancers who desire more performance opportunities may audition for our performing group, Great Gig Dance Ensemble. Auditions are held in May or June, prior to the showcase.*

### **Ballet**

Ballet is a form of dance more than 300 years old which originated in France and is now performed all over the world. Through strenuous training, the dancer masters classic technique, learning intricate steps and combinations of movements that are combined with music, costumes and sets to create visual designs, to tell a dramatic story, or to depict a mood. Ballet is the foundation of many other forms of dance and is essential to proper dance training. Our Ballet classes focus on proper body placement, technique and terminology.

### **Tap**

Tap dance is characterized by the rhythmic sounds of the toes and heels in special shoes with metal taps installed on the bottoms. Tap dance originated in America when African slaves created a means to communicate in the absence of their drums. Vaudeville reviews, Broadway shows and musicals on film helped to popularize tap dancing. Tap dance is one of the few art forms that combines sound and movement in its presentation. Our challenging Tap classes explore complicated rhythms and asymmetrical steps.

### **Jazz**

Jazz dance is a kind of "urban folk dance" which mirrors the current trends in music and social dance. Movement comes from Broadway shows, musical theater, film, television, nightclubs and other forms of popular entertainment, and parallels the particular phase of popular music. Jazz dance includes other popular forms of dance such as Hip-Hop, Musical Theater and Lyrical dance. Our Jazz classes focus on correct body placement and technique. Students are exposed to many different popular styles of Jazz.

### **Contemporary/Lyrical**

These popular dance forms can be described as fusions of Jazz, Ballet and Modern dance. Music choices often have lyrics intended to create emotion and evoke movement. When possible, creative partnering and weigh sharing enhance choreography and movement. Dancers typically dance barefoot.

### **Hip-Hop**

Hip-Hop dance mimics the most current trends in the rap and hip-hop "pop culture". It is an extremely athletic form of dance that includes elements of Jazz dance, tumbling and break dance. We use pre-screened and edited music and teach movements that are age-appropriate.

More emphasis is placed on proper technique and terminology.

We offer 1-hour or 1.5-hour Intermediate classes (length of class depends on age and level) for children that are 9-12 years old (Grades 3-5), and teens. This class includes segments in Jazz and Tap and focuses on more advanced dance training, including proper body placement, technique and dance terminology.

*\*We recommend that students in the Secondary and Intermediate programs also attend a 45-minute weekly Ballet class to reinforce their technique and body placement. Ballet is the foundation of all dance styles and it is an essential discipline for the properly trained dancer.*
