Open Studio and Paper Weaving Experience
9:30 am—3:00 pm

If you have any unfinished projects (could include knitting, embroidery, etc) that you would like to work on or if you are Interested in plaiting a grocery bag basket or a basket using maps come to the Sparks Masonic Center on Thursday, January 16th. If you want to make a plaited basket bring four brown paper grocery bags or a couple of maps (plasticized ones are best.)

You will also need scissors, pencil, ruler, clips. A cutting mat, straight edge, and exacto knife are useful if you have them. I will also bring my painted watercolor paper materials if anyone wants to experiment with pattern twilling.

I propose we collect \$5 from everyone attending to cover the cost of the building rental—no other class or materials fees will be charged. Let's just get together and weave. Don't forget your lunch and if you have any books to return, the library will be available.
