My Journey's Just Begun

Don't think of me as gone away
My journey's just begun
Life holds so many facets
This earth is but one
Just think of me as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years
Think of how I must be wishing
That you could know today
How nothing but your sadness
Can really go away
And think of me as living
In the hearts of those I touched
For nothing loved is ever lost
And I know I was loved so much.
