

KidsCamp of Pennsbury

... A unique summertime experience for kids!
Summer of 2023

SPECIAL ACTIVITY CLUBS for an additional fee (Pre-registration required)

Campers may select one of the following Special Activity Clubs each week if interested. The electives run on Monday & Friday afternoons unless stated otherwise. To participate in these clubs, please complete the Special Activity registration form. To avoid scheduling conflicts, only select one activity per week.

Archery – Come and join the fun as the campers strive to hit the bulls-eye! A professionally trained archer will conduct the classes and talk about her friend Robin Hood. These beginner classes emphasize safety, form, shot sequence, and focus. (Limited to children in second grade and above and 12 campers each week).

Activity Weeks: 1-9

Fee: \$30 per week

Hip Hop– Do you enjoy hip hop dancing and listening to hip hop music? If so, then this is the class for you. Campers will learn a variety of styles, such as breaking, popping, locking, and freestyle, with a jazz flair. They will practice the current styles that are in music videos. Campers will have a lot of fun while learning techniques in this class!

Activity Weeks: 1, 3, 5, 8

Fee: \$35 per week

Basketball – This class emphasizes basic game skills, player development, and the offensive and defensive fundamentals of the game. Instruction will be provided in a fun and enthusiastic way!

Activity Weeks (Grades 3+): 1, 3, 5, 7, 9

Activity Weeks (Grades K-2): 2, 4, 6, 8

Fee: \$30 per week

Karate – This martial arts class teaches campers not only self-defense but also respect, improved concentration and goal setting. Kids love to learn the physical skills of martial arts, and parents love the positive impact that our life skills program has on their children's attitudes and self-esteem. Each day is full of safe and fun martial arts activities designed to challenge and educate. And most of all, campers will have fun, get exercise, and develop healthy habits for life!

Activity Weeks: 1, 3, 5, 7, 9

Fee: \$35 per week

Pottery –Blacksheep Pottery will be teaching campers all about the process of pottery. Campers will create a different project each week with clay. They will sculpt it and design it themselves, and it will be fired in a kiln. This class provides a unique and exciting opportunity for campers to learn about the wonderful hobby of pottery while learning about various techniques and glazes to creatively paint their very own piece. Campers come away from this workshop with colorful items, as well as an appreciation for the ceramic arts. All materials used to make your child's ceramic keepsakes are non-toxic, lead-free, and food-safe, as well as dishwasher and microwave safe.

Activity Weeks: 2, 4, 6, 8

Fee: \$50 per week

Summer of 2023

Soccer – Soccer Fun in the Sun program is 2 hours of outdoor soccer fun and activities for children of all ages. A typical day includes warm-ups and stretching, skill building and skill development activities, scrimmages and small-sided games, and the big game where kids play with each other and challenge their coaches! The Fun in the Sun program is an excellent way for campers to develop soccer skills and teamwork while spending time outside!

Activity Weeks (Grades K-2): 1, 3, 5, 7, 9

Activity Weeks (Grades 3+): 2, 4, 6, 8

Fee: \$40 per week

Cheerleading – This class is sociable, fun, and a great way to get fit; campers will also use pom-poms! All elements of cheerleading, including cheers, dancing, kicks, and j-pumps, will be covered. Campers will get the chance to be a bit sassy in the pom-pom dance section, with some fantastic pom-pom routines to chart music. Regardless of one's ability, everyone is guaranteed to have a laugh and improve self-esteem and confidence too!

Activity Weeks: 2, 4, 6, 8

Fee: \$25 per week

Flag Football-New this year! Flag Football is a great way to get fit, and build hand-eye coordination and teamwork. Campers will learn a contact-free sport of flag football. They will be instructed on skills and drills to play successfully on both sides of the ball, including passing, catching, and de-flagging or defensive positioning. We also welcome experienced players who hope to "sharpen their skills. During odd weeks, flag football will be offered to children in grades kindergarten through second. On even weeks, it will be offered for students in grades three and up. This paid option is open to both girl and boy campers.

Activity Weeks (Grades K-2): 1, 3, 5, 7, 9

Activity Weeks (Grades 3+): 2, 4, 6, 8

Fee: \$25 per week

Pickleball – New this year! Fun, social, and friendly, Pickleball is currently the fastest-growing sport in the country. Pickleball combines elements of tennis, badminton, and ping-pong. The rules are simple, and the game is easy for beginners to learn. This class is limited to campers third grade and above. Be sure to register early, as spots are limited.

Activity Weeks: 1, 3, 5, 7, 9

Fee: \$25 per week

Introduction to the Spanish Language and Culture- Campers will have fun learning basic Spanish words such as greetings, colors, numbers, family members, and culture! They will learn through songs and other means conducive to elementary school-aged children. They will enjoy learning about the culture and have fun making a Spanish treat!

Activity Week: 5

Fee: \$35

3-D Paper Building – New this year! This exciting new option is offered by Blacksheep Pottery, and campers will act as architects, planning out their 3-D build each week. After their build plans are complete, campers will transform ordinary card stock into magnificent works of 3-D art. Some of the projects planned this summer are shadow boxes and flower vases. This option is sure to be a hit! Open to campers in 1st grade and above.

Activity Weeks: 1, 3, 5, 7, 9

Activity Fee: \$40 per week

Robotics – We are pleased to partner with Roboost this year to offer a Robotics class. This course is for campers in grades 2 through 4 interested in computer science and engineering. Each class will immerse into the history of technology, and will explain the mechanisms and electronics of how robots are constructed. Campers will use LEGO WeDo 2.0 programming interface and components to build a robot as well as program the movements and reactions of their robots to their surroundings. Be sure to register early, as spots are limited. Each Monday and Friday will be a different class, charged separately. The schedule of classes can be found below.

Activity Weeks: 2, 4, 6, 8

Fee: \$35 per class

Robotics Class Build Schedule:

- Monday, June 26th – Robby the Robot
- Friday, June 30th –Eagle
