

Sure Promises

I like sure things, don't you? I'm referring to things you can "take to the bank," absolutes, without a doubt. Unfortunately, things that we think are "sure things" are not as certain as we think. However, the Word of God is full of sure promises for the believer, promises that will always be fulfilled.

Let me share with you one such promise found in Philippians 1:6, *"Being confident of this very thing, that He which hath begun a good work in you will perform it until the day of Jesus Christ."* That is strong wording. . . . To be confident means to be fully and firmly persuaded or convinced. Convinced of what? That the Lord will complete or perfect the good work that He has started, that He will carry it through to the end. God has given this sure promise to every believer and He will use different means to see His good work accomplished in each believer's life.

As believers, we continue to grow spiritually as we yield to His work in our life. God continues to use Neighborhood Bible Time as a tool in His hand to accomplish His work in the lives of many young men. The spiritual heat and pressures that the young men experience throughout the summer reveal areas in their lives that God desires to refine and bring to maturity.

Our prayer for each young man is that the experiences and trials that he is taken through over the summer would strengthen his faith and draw him closer to his Lord. James 1:2-4 says, *"My brethren, count it all joy when ye fall into divers temptations; knowing this, that the trying of your faith worketh patience. But let patience have her perfect work, that ye may be perfect and entire, wanting nothing."* These are promises from God that we can take to the bank!

Here is an excerpt from the testimony of one of our evangelists . . .

"Little did I know that as I signed up for Neighborhood Bible Time, I would be a part of a great work of God. Training was hard, harder than I expected, and harder than what my friends had told me-they said it would be stretching-and it was. Pushed to the limit and then pushed more, God was using this time to show me that dependence on Him is the only answer. Session after session we were given information to memorize and learn. I could only think of how this was harder than mid-terms at college. Much of training was to prepare me, the evangelist, to work with the boosters, but even more was to help me to grow in Christ. Prayer was a huge emphasis as a fifteen minute prayer meeting turned into a four-hour revival. God was gracious, and as I depended on Him for help, He led

me. As the final week of training was here, I was scared to leave but I knew God was with me . . ."

One of our core missions at Neighborhood Bible Time is to train the next generation of young men (II Tim. 2:2). I hope you will prayerfully consider being 1 of 30+ young men to travel this summer with NBT!

Recommendations from Bible Colleges

"It has been our privilege to partner in ministry with NBT. Each summer several of our finest young men enter the harvest field and preach and teach the Word of God. I have carefully observed the lives of these young men who have served and are serving in NBT. Without exception, these men return to college each fall and it is obvious to all that the Lord has done a deep work in their hearts and lives. Because of the training and discipline of NBT, these young men become some of our finest preachers and spiritual leaders here on campus. Thank you for coming along side us in the development of servant leaders for the harvest field. We are deeply grateful!"

Dr. Toby Weaver, Dean of Men, West Coast Baptist College

"Each August, our young men have returned with a new zeal for the Lord, an increased passion for preaching, and a deepened burden to reach the lost. As the professor of Homiletics and Expository Preaching, it thrills my heart to see what is being taught in the classroom applied practically in the lives of these young men. Traveling with NBT also gives these men an opportunity to travel domestically and/or internationally. This exposes them to different ministries, in different cultures which also helps to mold them for the future service of the King. Only in eternity will the fruit of this ministry be revealed. I whole heartedly recommend this program."

*Dr. E. Billy Dudley, Jr., Academic Dean,
Calvary Baptist Bible College*

"I encourage all evangelism majors to travel at least one summer with Neighborhood Bible Time. There is no other ministry opportunity where they will meet as many pastors, have as many preaching opportunities, or see as many people saved as they will with NBT. One of the best ways to enhance a young man's preparation for evangelism is traveling with NBT. I wholeheartedly recommend it!"

Ambassador Baptist College*
