News, Views and Other Interesting Information from Spectra Builders, Inc.

Spring 2012

*Digital Insurance's newly remodeled office space.*

*An office featuring privacy glass at Capital Heart.*

## Spectra Has Been On The Inside

**S**pectra Builders recently completed an interior fit-up for our newest client, American Real Estate Partners, headquartered in Herndon, Va., with a local office in Durham, N.C. American Real Estate Partners is a privately held real estate investment company that focuses on commercial real estate assets and real estate financial instruments in major markets along the East Coast.

Picasso Pawn's corporate staff moved into their new offices upfitted by Spectra Builders. Picasso Pawn operates nine pawn shops between Raleigh/Durham and Wilmington. In business for over 25 years and locally owned, they buy, sell or pawn almost anything. Check out their website, [www.picassopawn.com](http://www.picassopawn.com), for their locations.

Managing partner Bill Dawson had only positive things to say about Spectra Builders and the job we did for his firm. "Everything is wonderful. Spectra did a good job and I'm very happy."

Spectra also completed a remodel for Digital Insurance, located in a building on Lake Boone Trail in Raleigh that's managed by Highwoods Properties. We were asked to match paint colors already on the

walls as well as the existing carpet and tile floors. The project turned out extremely well, according to Darlene Burrows, construction contact with Digital Insurance.

“The job had a quick turn around and Spectra helped to keep it within budget while still achieving a high end result.”

Digital Insurance is the nation’s leading employee benefits agency specializing in insurance for small businesses and mid-sized companies. The company is headquartered in Atlanta, Ga., and has been in business since 2000.

Finally, Capital Heart Associates has moved to a new building remodeled by Spectra, also on Lake Boone Trail in Raleigh and managed by Highwoods Properties. Capital Heart offers a variety of services, including echocardiograms, treadmill EKGs, cardiac catheterization and stress echocardiograms. As specialists in both invasive and noninvasive cardiology, Capital Heart is a leader in today’s progressive medical technology.

Spectra Builders is ready to help with your building needs, no matter the size. We will be happy to help you design a new office, construct a new building or remodel your current space. We’re equipped to handle ground-up, design-build, restaurants, retail space, medical offices, interior fit-ups and anything else that is considered commercial construction. We look forward to building your next project as we continue “Working Together for Excellence!”
