Admission

- Calvary Christian Academy is open to students of any race, color, or ethnic origin.
- Prospective students should already faithfully attend Calvary Baptist Church or a church of like faith and doctrine.
- Parents who agree with the philosophy of Calvary Christian Academy and are seeking admission for their children to the Calvary Christian Academy should read the handbook and call for an appointment to meet with the administrator.
- Students must be five years old by October 15 to enroll into the kindergarten class. K-4 will be offered as it is available.

Introduction

- The rules are established to benefit all of the members of the school. It is for this reason that rules are looked upon as a positive part of the education process.
- At Calvary Christian Academy we have four types of rules:
 - 1. Rules that prohibit known sins.**

2. **Rules that help to establish self-discipline in the heart and mind of the student.**
 3. **Rules that promote high standards of excellence in mental, spiritual, and physical activities.**
 4. **Rules that are for the protection and general well-being of the student or the student body as a whole.**
- Rules are meant to serve the student’s best interest. The administration constantly scrutinizes the rules to see if they are serving their purpose. If a parent or student has a sincere question about a rule, he is urged to contact the office.
 - Any student, who is in the judgment of the administration, does not fit the spirit and purpose of Calvary Christian Academy will be required to withdraw from school.

Purpose

- The purpose of Calvary Christian Academy is to be of help to parents in raising their children “in the nurture and admonition of the Lord”. The emphasis is on academics, building character, reaching the heart, and in teaching the doctrines of the Bible.
- This handbook has been produced in an effort to keep the lines of communication open. Our philosophy here at CCA is that leadership should make it easy for a child to do right and difficult for him to do wrong.

Statement of Faith

- Calvary Baptist Church is an independent, fundamental Baptist Church. The Bible is taught not just as a separate subject, but as the center of every subject. Our doctrines include belief in: the Trinity (I John 5:4-8), salvation by grace (Ephesians 2:8-9), the eternal security of the believer (John 10:28), Jesus’ shed blood is the only way to heaven (Acts 4:12), the autonomy of the local, new testament church (Colossians 1:18), the Bible is given by the inspiration of the Holy Ghost and preserved for us today in the King James Bible (II Timothy 3:5-17, Matthew 4:4), the rapture of His own before the tribulation (I Thessalonians 4:16 -17), the second coming of Christ to rule and reign on the earth for a thousand years (Matthew 24:30), those saved will be rewarded for what they have done for Christ and spend eternity in a literal heaven (I Corinthians 3:9-15, John 14:1-3), and those without Christ will be judged and spend eternity in a literal hell (Revelation 20:11-15). Calvary Baptist Church stands against modernism (II Timothy 4: 3-4), worldliness (I John 2:15-17), the charismatic tongues movement (Acts 2:3-11), and worldly music and entertainment, whether “Christian” or otherwise (Colossians 3:16).
- Calvary Christian Academy is looking for parents in agreement with these doctrines to work together in training their children to love God and to live for Him.

Open Lines of Communication

- It is of utmost importance to Calvary Christian Academy that the lines of communication be kept open between the school and our parents. To assure that this goal is to be met the following procedures are adopted:

1. If there is question or a problem the first person to contact would be the teacher. This could be done by calling the office and leaving a message.
2. If you have contacted the teacher but feel that you have further needs or concerns, then call Pastor Christner (207-754-6439) or email him at schristner@cbcturner.org.

Some guidelines are as follows:

- When coming to a teacher with a problem remember that you have heard only one side of the story. If a problem is approached with a mind that has been made up and accusing or making demands, then little can be resolved or accomplished.
- A calm spirit with a mind to find out what happened and what should be the right response is necessary for the right outcome.
- Teachers and parents are to have a common goal.
- If parents and teachers work together, then a child will better understand what is required of him or her. Becoming defensive or unwilling to accept each one's part in the solution will not create an effective solution.

Remember

- Taking a problem to one that is not involved or a part of the solution or taking the problem to the public by way of Facebook or other social media, only complicates the problem and detracts from getting a real solution.

Communication

- We use email, text, and the private school Facebook group for communication. If any of your contact information changes, please let the office know.

School Day

- Refer to the school calendar for scheduled school days, early dismissals, and vacation days. The school day begins at 8:15 a.m. and ends at 3:00 p.m. We do not have before and after school care. Students should not be dropped off before 7:45 a.m. or picked up after 3:15 p.m.

Transportation

- It is the parents' responsibility to see that their student has a ride to school.
- Students will not be permitted to transport other students to and from school except with permission agreed upon by the parents and administration.
- Students who participate in ball games and school field trips will ride to and from activities in a vehicle that is provided by the school unless the administrator has approved other arrangements in advance.
- Students should be dropped off before 8:15 a.m. and picked up after 3:00 p.m. at the glass doors in the front of the church.

- During the school day, 8:15 a.m. to 3:00 p.m., parents should use the school entrance to drop off students, pick up students, or to come into the school.

Student Drivers

- Safety is always a high priority for student drivers. We expect our students to drive with caution and respect to others.
- A transportation form must be filled out for each student driver. If any changes need to be made, call the office.
- Only passengers who have parents' permission and permission from the driver's parents will be allowed to travel with the student driver.
- No high school student will be allowed to travel to and from school in any vehicle with only one other high school student of the opposite sex who is not a family member.
- Cars are to be parked in a designated parking area in the back parking lot.
- Student drivers will be dismissed at 2:50 p.m.
- Cars are to be locked and will be considered a restricted area until after school or when the student is to leave.
- The administration reserves the right to restrict a student's driving privileges on school grounds, if safe driving procedures are not being observed.

School Attendance

- For a student to be considered present in school, he or she must arrive before 9:30 a.m. A student is considered present for a full day if they have not missed more than one class hour. A minimum of three class hours is required to be considered present for a half-day. A student attending less than three complete classes will be considered absent.
- Parents are strongly encouraged to schedule doctor appointments and other scheduled absences to fall on scheduled days off to avoid the necessity of their child missing school.
- Missions or college trips supervised by parents or churches may be exempt from the attendance policy, but permission must be requested in writing in advance.
- Students need to see their teachers about any make-up work. Students have as many days as they missed, plus one day to make up work. (Example: If a student misses two days, he has three days to make up his assignments)
- Under the Laws of the State of Maine a student is truant if he/she has attained the equivalence of 10 full days of non-excused absences or 7 consecutive school days of non-excused absences during a school year.
- We strongly discourage any student from being absent for any reason the last three weeks of school.

Whenever your child will be absent, please notify the school office by 8:30 a.m.

- All students who are absent must call or email the school office to inform administration the reason for the absence.

Church Attendance

- School families are expected to faithfully attend in person (one service per week) the regular services of Calvary Baptist Church or another Bible-believing church of like faith and doctrine.

Immunizations

- The State of Maine has legal requirements involving immunizations for all students enrolled in school. All students must have their immunizations current before they will be allowed to attend school. Parents of students who lack the necessary immunizations will need to meet the State of Maine's compliance or provide a statement of exemption.

Medical Forms/Medication

- Students who need to take medication at school must have a medical release form filled out and in their file. This includes permission for taking Tylenol or cough drops. All medications are labeled and kept in the school office.

Illness at School

- Students who become ill at school should tell their teacher they are sick, and they will be allowed to go to the office.
- The office secretary will determine the extent of a student's illness and the required treatment.
- If a phone call home is necessary, the office secretary will be the one to call.
- A child will be sent home if he has a temperature of 100 degrees or above, is vomiting, or has other obvious symptoms.

Emergency Data

- It is important that the school be kept informed of the parent's current address, phone number, and emergency contact numbers. If there is any change during the year, the office needs to know immediately.
- **Unlisted phone numbers will be kept confidential.**

Custody Agreement Order

- If this situation applies to your family, we need a copy of the custody agreement decree for our school records.

Personal Property

- The school cannot take responsibility for any personal property lost or stolen. No valuables should ever be brought to school.

Prohibited Items

Students are not allowed to bring the following items to school:

1. Animals
2. Lighters or matches
3. Inappropriate reading material or magazines
4. Knives or any weapons

Cell Phones

- Upon arriving at school, all students will place their cell phones in a designated, secure cabinet during the school day. Emergency calls may be made through the school office.
- Earbuds or headphones are not allowed to be used before, during, or after school or school functions (i.e. sports events, practices, field trips) unless given permission by administration.

Lost Items

- The lost and found is handled through the office. The school is not responsible for the loss of a student's personal property. All personal belongings should be labeled and clearly marked with your student's name whenever possible.

Weekly School Memo

- A weekly school memo is sent home on Fridays through e-mail and posted on the school Facebook page. The yearly calendar is sent to each family at the beginning of the year. It is also posted on the school Facebook page and iGrade.

Library Procedure

- All books are taken out for a two-week period and are due back on the date stamped in the book. Books may be renewed if needed. No books are to be taken out of the library until previous books are returned. Any books damaged or lost will need to be replaced or reimbursed.

Grading Information

- Report cards will be emailed at the end of each quarter. Parent teacher conferences will be held at the end of the first quarter at the request of the parent or teacher.

Grading Scale

A 94 - 100

- B 87 - 93

- 5% off if full tuition is paid before the beginning of school
- \$50 - 2nd child discount
- \$100 – 3rd child discount
- \$150 – 4th child discount

Dress Code

- A school dress code is important for several reasons:
 1. It sets minimum standards for modesty.
 2. It is widely recognized that behavior is related to dress.
 3. A proper climate for learning demands that attire be appropriate for the classroom.
- We desire our students to be clean, well-groomed and to dress neatly and modestly. All garments should be neat, clean, ironed, and in good repair, not ripped or torn.
- Most dress code violations are demerit offenses; however, if necessary, a student may be asked to leave the school or school activity until they are within the dress code of the school.
- Habitually violating dress code will result in a parent conference.
- Students are to arrive at school and to leave from school in CCA dress code whether they remain in school for the day. This includes students who are absent that day.
- Students are to abide by the dress code standards of Calvary Christian Academy for all activities sponsored by Calvary Christian Academy or for any activities which involve the school's participation. These standards must be met whether the activity occurs on school grounds or elsewhere.
- Sunglasses may not be worn in the school building.
