

**FLUKE®****Reliability**

Trade-In & Trade-Up with Prüftechnik, a Fluke Reliability company and get up to a 15% discount when upgrading to a new **Shaft Alignment, Geometric or Condition Monitoring Fluke Reliability tools.**

## There's never been a better time to upgrade to the newest Prüftechnik laser-shaft alignment and vibration technology.

This program is valid from 1st September 2022 through 30th November 2022. Trade-in your legacy product from another manufacturer and receive up to 15% off your new adaptive alignment tool.

### Qualifying products to trade:

- Competitor brands are eligible if comparable to Prüftechnik products. Please see our product competitor list here.
- Tool not working? No problem. No proof of functionality is required.
- Trade-In will be for a new RotAlign Touch, OptAlign Touch, ShaftAlign Touch, VibXpert 2, Vibscanner 2, or Vibguard Sensors.

### Process:

*Send an email to your sales representative or [usa@pruftechnik.com](mailto:usa@pruftechnik.com) with the following information:*

- Product name and series number to trade
- Product of interest to buy
- Contact info: name, company, email, and phone
- You will receive a call back and/or email with a quote and further information with next step

CENTERLINE, INC.
