

RESORT IMPROVEMENT DISTRICT No. 1 SHELTER COVE, HUMBOLDT COUNTY, CALIFORNIA

*Electric, Water, Sewer, Fire Protection, Search & Rescue,
Airport, Golf Links, Recreation*

AUGUST 2021 NEWSLETTER

FIRE SEASON IS HERE!

Please call 911 immediately if you see or suspect a wildfire. Shelter Cove Fire wants to stress how important it is for you to make the 911 call immediately. Even if you are not sure what you are seeing is a wildfire dial 911. Catching a fire as early as possible is critical as local volunteer fire department resources are limited and aerial support/heavy equipment assistance takes time to respond to our remote location.

Protect Your Family & Protect Shelter Cove By Preparing for Wildfire & Public Safety Power Shutoffs (PSPS)

Have your Go Bag ready and become familiar with signed (and designated) evacuation routes.

Be prepared for the potential of Public Safety Power Shutoffs (PSPS). PSPS are implemented to protect life and property during times of prolonged dry, windy, and wildfire prone (red flag warning) weather by de-energizing electrical lines to specific areas in Shelter Cove. The District will make every effort to contact customers affected in advance of implementing a PSPS. Please make sure we have your most updated contact information including cell numbers and email addresses.

Keep our roads (evacuation routes) clear and free from obstructions. Please relocate all vehicles, boats and construction materials from Shelter Cove roadways and cul de sacs.

Chipper Days!

The next two Chipper Day will be on Saturday August 14th and Saturday September 18th. Please take advantage of this incredible opportunity by moving your woody material (to be chipped) to the roadside's edge with cut butts facing out. Please do not stack limbs over 5 feet high – just start a new pile. Tree trunks, stumps, rotten wood, rocks, and garbage cannot be chipped. Contact Shelter Cove Fire at

986-7507 or at scfd@sheltercove-ca.gov and let us know when your pile is ready to be chipped.

COVID-19 Update

The Shelter Cove Community Clubhouse, Children's Playground, and Golf Links Course are all open. Masking and social distancing is required for every individual while inside District offices and the Community Clubhouse.

RECENT BEAR ACTIVITY

Please be aware black bears are now quite active in the Shelter Cove. If you have weekly garbage service, please put your trash on the street the morning of pickup.

Wild animals need social distancing too – When humans feed wildlife it promotes congregation and spread of disease. Please avoid feeding wildlife.
